Director of Cross Country/Track and Field Fred Harvey 10th Season - Hurdles

Fred Harvey enters his 10th year as the Director of Men's and Women's Cross Country and Track and Field. After 15 years as an assistant and associate head coach at the University of Arizona, Harvey took the reins of the program during the 2002-03 season and led the men's team to six-consecutive top-25 finishes outdoors and the women to top-25 finishes in each of the last five seasons, both indoors and outdoors.

Harvey and his coaching staff have recruited another strong batch of student-athletes this season and the chances of continuing the top-25 streaks look to be in good shape. Over the years of his head coaching career, 22 men have earned 66 All-America honors and 20 women have earned 44 All-America certificates under Harvey and six Arizona student-athletes earned 11 NCAA Individual Championships.

He was named the 2011 Pac-10 Men's and Women's Coach of the Year and, on the national scene, the U.S. Track and Field and Cross Country Coaches' Association (USTFCCCA) named Harvey its West Region Men's and Women's Coach of the Year. Harvey led both squads to runner-up finishes at the Pac-10 Outdoor Championships before taking the teams to top-10 national finishes with the women finishing fifth and the men seventh at the NCAA Outdoor Championships in Des Moines, Iowa.

Harvey has worked countless hours to create his "Template for Success." The top-three factors in this template include recruiting the top student-athletes, recruiting the top staff and having the total support of his athletic department. His coaching expertise, combined with his enthusiastic recruiting, has continually kept Arizona ranked among the top teams in the nation since his promotion to head coach.

During Harvey's tenure, the Wildcats have signed over 30 U.S. high school state champions, three U.S. Junior Champions, one Chinese National Junior Champion, three National Junior College Champions and one NCAA Division III National Champion.

In recruiting the top staff members, Harvey has been able to lure some of the top coaches in the world to Arizona. Dr. James Li serves as associated head track and field coach and head cross country coach. With assistant coach Erin Dawson, they work with UA's middle distance and distance runners. Assistant coach Craig Cater is charged with Arizona's throwing group, assistant coach Francesca Green works with the sprints and relays and Sheldon Blockburger guides the jumps, pole vault and combined events.

A native of San Francisco, Harvey came to Arizona from Cal Poly-San Luis Obispo, where he was the assistant women's coach for seven years and coached 14 NCAA Division II National Champions, 52 NCAA Division II All-Americans and two Division I All-Americans. During his seven-year stint, the Mustangs won four NCAA Division II National titles.

Harvey was selected to coach the U.S. men at the 2003 Pan American Games. During the five-day event in Santo Domingo, Dominican Republic, he led the team to 21 total medals - seven gold, seven silver and seven bronzes.

Harvey's most noted Olympian is local Tucsonan Michael Bates. Bates was the 1992 bronze medalist in the 200-meter dash at the Barcelona Games before going on to an illustrious career in the NFL as a kick returner. At the 2000 Olympic Games, Patrick Nduwimana, a Harvey pupil, advanced to the semifinals in the 800 meters. Others who advanced to Olympian status include triple jumper Yuliana Perez, long jumper Mareike Veltman and sprinter/hurdlers Lade and Tayo Akinremi. Harvey's male Olympians also include sprinters Troy Douglass, Bart Williams and Joe SaiSai.

Another of Harvey's student-athletes, hurdler Michelle Johnson, nearly made the U.S. Olympic team in the 400-meter hurdles. In her competing tenure, however, she was a four-time All-American and 1999 World Championship team member. At the 1999 World Championships in Spain, Nduwimana advanced to the semifinals of the 800 meters for his native Burundi and Johnson finished sixth in the 400-meter hurdles, running 54.23 in the final.

He developed Brianna Glenn into one of the top female sprinters and long jumpers in the nation. In 2001, Glenn won the 200-meter dash and the long jump at the NCAA Outdoor Championships, becoming the only athlete in history to accomplish that feat. She would go on to win the long jump title at the USA Championships in 2003. She was a member of Team USA for the 2001 World Championships and the 2002 World Cup.

In 2001, Harvey added to his resume, becoming Arizona's Sprint Development Coach, working with the Wildcat football team. He trained the football players in the dynamics of sprinting and speed development that season, and it made a noticeable difference on the field.

In 2004, Harvey was named to the U.S. Track and Field and Cross Country Coaches' Association (USTFCCCA) Executive Committee. In 2005, Harvey was also named as a Vice Chair for the USTFCCCA Advisory Board.

He was a fine student-athlete himself at San Jose City College and Cal Poly-SLO. In 1979, he ran 5.81 in the indoor 50 meters, the fifth-fastest time in the world that year. In 1981, he ran the sixth-fastest time in the world in the same event. During his competitive years, Harvey had personal-best times of 10.1 (100 meters), 20.78 (200 meters), 45.7 (400 meters) and 1:50.2 (800 meters). While competing at Cal Poly-SLO, Harvey earned three NCAA Division II All-America honors and was a member of the winning 4x100-meter relay team at the NCAA Division II National Championships.

Harvey earned his bachelor's degree from Cal Poly-SLO in 1983. He is married to Janet Harvey, a former elite hurdler and long jumper. They have a son, Lauren, and two daughters, J' Lynn and Imani Lee.

Head Cross Country/Associate Head Track and Field Coach Dr. James Li 10th Season - Middle Distance/Distance

Head cross country coach and associate head track and field coach Dr. James Li enters his 10th season as a member of the Arizona staff, directing the middle distance and distance runners and men's and women's cross country programs. He came to Tucson from Washington State University, where he worked with the Cougar track and field and cross country programs for a combined total of 13 years. During his collegiate coaching career, Li has coached numerous individual student-athletes and relay teams to more than 30 conference championships, 50 All-America honors and nine national championships.

Li led the women's cross country team to their first NCAA Championship appearance in eight years during the 2009 campaign and an 11th-place finish at the 2010 NCAA Cross Country Championships. The squad earned a runner-up finish at the Pac-10 Championships with four runners earning All-Pac-10 accolades.

On the men's side, Stephen Sambu was a cross country All-American, the NCAA West Region runner-up and earned a fifth-place finish at the Pac-10 Championships. For his efforts, Sambu was named the 2010 Pac-10 Athlete of the Year and Newcomer of the Year. Li was named the Pac-10 Women's Coach of the Year.

On the track in 2011, Li's student-athletes won three Pac-10 Outdoor titles, two Mountain Pacific Sports Federation (MPSF) Indoor titles, earned 10 All-America accolades and collected 12 All-Pac-10 honors. Top performances included a bronze finish in the 10,000 meters by Jen Bergman at the NCAA Outdoor Championships and a 1-2 sweep by Lawi Lalang and Sambu in the 5,000 meters at the Pac-10 Outdoor Championships. Maggie Callahan won the Pac-10 Outdoor title in the 3,000-meter steeplechase and Hannah Moen set a school record in the event at the NCAA Prelims with her time of 10:10.61.

Sambu was named the Pac-10 Men's Newcomer of the Year for his bronze finish at the NCAA Outdoor 10,000 meters and a win in the same race at the Pac-10 Outdoor Championships. On the season, he collected two All-America honors and two All-Pac-10 certificates. He also set school records in the 5,000 meters indoors (13:28.48) and the 10,000 meters outdoors (27:28.64).

Li is also credited with the success of former UA distance standout Robert Cheseret. While running for the Wildcats, Cheseret broke three school records and won two NCAA Outdoor Championship titles. Cheseret also won 10 Pac-10 individual titles in track and cross country, the most Pac-10 distance titles won by one runner in conference history. He was named the Pac-10 Athlete of the Year twice in cross country and three times in outdoor track and field.

Li first joined the Washington State University men's track and field coaching staff in 1985 as a graduate assistant. Under the guidance of head coach John Chaplin, he primarily worked with distance runners. Li rejoined the Washington State men's staff in 1994 and began coaching the men's and women's distance runners in 1995 when the Cougars combined their track and field and cross country programs. Li was named the Cougars' head cross country coach in 1998.

While at Washington State University, Li recruited and coached distance great Bernard Lagat. Behind Li's guidance, Lagat won four NCAA Championship titles and was named the NCAA Division I National Indoor Runner of the Year and the Pac-10 Runner of the Year in 1999. Li continues to coach Lagat during his post-collegiate years and he was ranked among the top four runners in the world in the 1,500 meters 10 out of the past 11 years. Lagat holds national records in the 1,500 meters in two countries (Kenya and the U.S.) and is the second-fastest all-time runner in the world over the distance. He also holds the American records in the indoor mile and the 3,000 meters and in the outdoor 5,000 meters.

Lagat won a bronze medal in the 1,500 meters at the 2000 Olympic Games in Sydney and a silver medal at the 2004 Olympic Games in Athens. In 2007, Lagat became the first man to win gold medals in both the 1,500 meters and the 5,000 meters at an IAAF World Championships (Osaka, Japan). He earned a silver finish in the 5,000 meters at the 2011 IAAF World Championships in Daegu, South Korea.

In 1990, Li became the head men's track and field coach at Minnesota State University at Mankato (formerly Mankato State University). During his four years at Mankato, Li coached the sprinters, jumpers and throwers. He directed the Mavericks to top-three finishes and the North Central Conference Championships in each of the indoor and outdoor seasons from 1992 to 1994. Li's squads also had multiple top-Ten finishes at NCAA Division II Indoor, Outdoor and Cross Country National Championships during his tenure.

Over the years, Li has spoken and presented at numerous local, national and international coaches' clinics and educational programs. In 2006, Li earned the "Chief Coach Certificate," the highest designation under the IAAF Coaches' Education Program.

Li has also been selected as a staff member to a number of U.S. National Teams and as the head manager for the men of Team USA at the 2008 Olympic Games in Beijing. Most recently, he was named the head men's coach for Team USA at the 2011 World University Games where Wildcats Brigetta Barrett, Edgar Rivera-Morales and Luis Rivera-Morales competed for their countries. He paced the squad to four medals during the event: one gold, one silver and two bronze. In total, Team USA brought nine medals home from China. The squads finished fifth in the medal count.

Li was a middle distance runner during his youth and collegiate years and at the Beijing Institute of Physical Education, where he earned his bachelor's degree in 1982. He was a top Chinese junior runner in the late 1970s and won the Chinese Collegiate 800-meter title in 1979. Li was among the top-10 middle distance runners in China from 1980 to 1982. He began his coaching career at Sichuan Sports Technique Institute and he was a provincial team coach (Sichuan Province) from 1983 to 1985 where he coached men's middle and distance runners.

Li was born in Chengdu, China and was naturalized as a U.S. citizen in May of 1998. He received a master's degree in biomechanics from Washington State University in 1987 and a doctorate in educational athletic administration in 1993. Li and his wife, Jean, have two sons, Allen and Anthony.

Assistant Track and Field Coach Craig Carter 6th Season - Throws

Charged with overseeing Arizona's throwers, Craig Carter begins his sixth season as a member of the Arizona staff. Since arriving in Tucson for the 2006-07 season, he has changed the face of collegiate throwing on the national and conference scene.

Named the 2011 U.S. Track and Field and Cross Country Coaches' Association (USTFCCCA) National and West Region Women's Assistant Coach of the Year, Carter's throwers dominated the scene in 2011. Julie Labonte swept the NCAA Indoor and Outdoor titles in the shot put while setting Canadian National Records in both throwing events. She also swept the conference titles in the shot put at the Mountain Pacific Sports Federation (MPSF) Indoor Championships and the Pac-10 Outdoor Championships. Labonte set a new school record in the indoor shot put with her toss of 57-9 at the MPSF Indoor Championships.

At the 2011 Pac-10 Outdoor Championships, Carter's female throwers went 1-2-3-5-6 in the shot put, 2-3-4-6 in the discus and 5-6 in the hammer. Freshman Baillie Gibson scored valuable points in all three throwing events. She went on to earn All-America honors outdoors in the discus and shot put to go along with indoor All-American accolades in the shot put.

On the men's side, in 2011, UA throwers earned two All-America certificates and seven All-Pac-10 honors. At the 2011 Pac-10 Outdoor Championships, the men finished 2-3-6 in the shot put, with Bozidar Antunovic's runner-up finish and throw of 59-7.5 and 4-6-7 in the discus. Antunovic also won the MPSF Indoor Champion in the shot put with his throw of 58-5.25.

Carter is currently coaching the No. 1 female shot putter in the U.S., Jill Camarena-Williams, who is also a volunteer assistant. Since working with Carter, she has won seven indoor and three outdoor national championships. In 2011, she set the American indoor record with a toss of 65-2.25. She went on to also set the American outdoor record with her throw of 66-2.5. She is currently ranked No. 3 in the world.

At the 2011 World Championships, Camarena-Williams made history as the first American woman to ever medal in the shot put at the World Championships. She marked a throw of 65-8.25 on her fourth attempt and recorded her second-best performance ever, only behind her throw that tied the American record earlier in the summer.

Camarena-Williams has competed on Team USA at the 2006 World Cup, the 2007 World Championships, the 2008 Olympic Games, the 2009 World Championships, the 2010 World Indoor Championships, the 2010 Continental Cup and, most recently, the 2011 World Championships.

Carter started his coaching career as a graduate assistant at Utah State before leaving to teach and coach at the high school level. He returned to Utah State two years later to be the head throwing coach. During that time, he coached several NCAA indoor and outdoor qualifiers, 25 Big West Champions, 53 All-Big West performers and was part of five men's conference championships and seven women's conference championships. Under his direction at Utah State, Olympian James Parker was an eight-time All-American in the hammer and weight throws and an All-American in the discus throw.

An accomplished competitor in his own right, Carter was a two-time NCAA All-American in the weight and hammer throws while competing for Utah State. He was also voted Big West Athlete of the Year and was an 11-time All-Big West performer. Carter was a recipient of the Utah State University Outstanding Athlete Robins Award. Carter was given the coveted Wayne Estes Award - the most prestigious award ever given by Utah State University - to a student/athlete exemplifying all-around excellence.

Upon graduation, Carter continued competing and qualified for the USA Championships for six-straight years (1992-1997). His highest finish was seventh in the hammer throw at the 1996 Olympic Trials before retiring and focusing on coaching.

He earned his bachelor's degree in physical education from Utah State University. Carter is married to Jo-Anne Bouwhuis and they have four children: Cameron, twins Mark and Makenzie and Ragan.

Assistant Track and Field Coach Francesca Green 3rd Season - Sprints/Relays

Francesca Green enters her third season as Arizona's men's and women's sprints and relays assistant coach while still handling meet management and equipment distribution. Previously, Green served as UA's Director of Operations for cross Country and track and field for four seasons.

The 2011 season was another banner year for the Wildcat sprinters under Green's tutelage. At the Pac-10 Outdoor Championships, the quartet of Christina Rodgers, Shapri Romero, Echos Blevins and Georganne Moline set a school record in the 4x400-meter relay with a time of 3:31.62. They also earned a runner-up finish in the event. The same squad went on to earn second-team All-America honors at the NCAA Outdoor Championships with their ninth-place finish.

Six of the top-10 times on UA's all-time 4x400-meter relay list were set during the 2011 season. Romero, just a walk-on freshman in 2011, ran to the No. 5 time in school history in the 400 meters with her clocking of 53.62. Her time came at the Pac-10 Outdoor Championships where she finished sixth.

Also, UA's top women's 4x100-meter relay time of the season is the No. 10 time in school history. The quartet of Dahlys Marshall, LaTisha Holden, Tamara Pridgett and Germe Poston clocked a time of 45.11 at the Mt. SAC Relays. Poston also clocked season bests of 11.65 in the 100 meters and 23.80 in the 200 meters to set UA freshmen records in both events. Her times also rank sixth and eighth, respectively, on UA's all-time lists.

On the men's side, Sean Delfani earned All-America honors as the 400-meter leg of the distance medley relay that finished fifth at the NCAA Indoor Championships. Running with Abdi Hassan (1,200 meters), James Eichberger (800 meters) and Lawi Lalang (1,600 meters), the quartet clocked a time of 9:30.33. Earlier in the season, the same quad clocked a school-record time of 9:28.87 at the MPSF Indoor Championships.

At the Pac-10 Outdoor Championships, Chris McSwain ran to a fourth-place finish in the 100 meters (10.44) and a seventh-place finish in the 200 meters (20.88), clocking personal bests and earning All-Pac-10 honors in both events. Additionally, the men's 4x100-meter and 4x400-meter relays both finished seventh, also earning all-conference accolades. During the indoor season, McSwain was the MPSF Indoor Champion at 60 meters with a time of 6.70 and at 200 meters with a time of 21.42.

In 2010, Green guided UA football kick returner Travis Cobb to a spot at the NCAA Quarterfinals in the 100 meters - despite the fact that he hadn't run on the track in nearly five years. During the 2010 football season, he had 34 returns for 887 yards including one for a 100-yard TD in the win against ranked Iowa. He clocked a 2011 indoor best of 6.89 in the 60 meters to finish seventh at the MPSF Championships. He chose to focus solely on NFL Pro Day and clocked a 40-yard dash time of 4.35. He recently signed as a free agent with the Chicago Bears.

Green relocated to Tucson in August, 2004 to continue her competitive training with head coach Fred Harvey and also worked as a marketing associate for Arizona Athletics. Green came from Purdue University where she spent the 2004 season as a volunteer assistant coach under head coach Lissa Olson with the sprinters and jumpers.

Prior to her arrival at Purdue, Green spent eight years, both as a student-athlete and coach, at Washington State University. Her collegiate coaching career began in August 2000 when the Cougars' head coach Rick Sloan named her assistant coach in charge of the men's and women's sprints and relays.

In 2003, Green guided Washington State's women's 4x400-meter relay team to All-America honors as they finished seventh (3:35.49) at the NCAA Indoor Championships. Her 4x400-meter relay team later went on to place third at the Pac-10 Outdoor Championships and finished as the runner-up at the NCAA West Regional Championships. Green's women's 4x100-meter relay squad also scored at the Pac-10 Outdoor Championships, placing sixth with a time of 45.49.

Individually, Green coached Tiffany Giles to a pair of top-five showings at the Pac-10 Outdoor Championships, running 23.82 in the 200 meters and 53.82 in the 400 meters. Giles also scored a fifth-place finish in the 400 meters at NCAA West Regional Championships.

Green led Washington State's men's sprinters and relays to a pair of Pac-10 Outdoor titles and a runner-up showing in 2003. Anthony Buchanan won the 100-meter title, clocking a time of 10.10, and the 4x100-meter relay crossed the finish line first with a time of 39.68. NCAA regional qualifier Bennie Chatman placed behind Buchanan in the 100 meters (10.12) and earned the bronze at the NCAA Regional Championships, coming in at 10.48.

In 2002, Green had two sprinters compete at the NCAA Championships: Anson Henry at the indoor meet in the 60 meters (third, 6.66) and Buchanan at the outdoor meet in the 100 meters. Henry continued to train with Green during the 2003 season and went on to place second at Canadian National Championships in the 100 meters (10.04). Henry also competed on the Canadian National team at the Pan-Am Games

and World Championships in 2002.

As a student-athlete, Green was one of the most versatile, accomplished and decorated track and field athletes in Washington State history. She won the Pac-10 Outdoor long jump titles in both 1996 and 1998 and earned All-America honors in the long jump during the 1996 NCAA Outdoor and 1997 NCAA Indoor Championships. A sprinter and competitor in the high, long and triple jump events, Green scored 21.5 of WSU's 123 points at the 1999 Pac-10 Outdoor Championships. She ran the anchor leg of WSU's record-setting 4x100-meter relay team (44.50) in 1999. In 1996, Green was a member of Team USA at the World Junior Championships in Sydney, Australia.

A star in the classroom, she was selected as a GTE/CoSIDA Academic All-American (District VIII), to the Pac-10 All-Academic team and earned Senior Excellence in Academics honors. She was selected as the WSU Student-Athlete Advisory Board Outstanding Senior, earned the Eagle Hardware and Garden Academic Salute Trophy, selected for the WSU President's Award for Leadership and was honored with an Arthur Ashe, Jr. Award.

The main reason for her stay at Purdue in West Lafayette, Ind. was to train for the 2004 Olympic Trials in the long jump. Green finished in 18th place at the trials but her season- and personal-best mark of 21-1.5 (6.41m) ranked her 15th in the country during the 2004 season.

After the 2010 collegiate season concluded, Green was an event manager for Team USA at the 2010 NACAC Under-23 Championships in Miramar, Fla., where four current UA student-athletes competed (Eichberger, Mohamud Ige, Julie Labonte and Rodgers).

During the summer of 2009, Green was an assistant coach for Team USA at Pan-American Junior Games held in Port of Spain, Trinidad, where she coached the men's sprints and relays. Green helped guide several student-athletes to exceptional results including a 1-2 Team USA finish in the men's 100 meters and runner-up finishes in both the men's 200 meters and 400 meters by American male runners. The Team USA men's 4x100-meter and 4x400-meter relays were Pan-Am Junior Champions, running 39.06 and 3:03.25, respectively.

Green currently serves as the women's sprint development chair for USA Track and Field where she is the contact for top female sprint athletes in the country in terms of helping them learn the benefits of USATF. Green is also a graduate of the 2007 Leadership Institute for Ethnic Minority females in administration and was a 2008 and 2009 leadership facilitator for the NCAA Division I Regional Leadership Conference for student-athletes.

Green is a 1995 graduate of Kamiakin High School in Kennewick, Wash. From Washington State University, she received her bachelor's degree in kinesiology in 1998 and her master's degree in education with an emphasis in athletic administration in 2000.

Track and Field Director of Operations Dawn Boxley 15th Season

Dawn Boxley begins her 15th season at the University of Arizona and her third as the Director of Operations for the men's and women's track and field programs. After 12 years of experience as an assistant coach with the men's and women's sprints and hurdles, Boxley's new role will put her in charge of many of the administrative and day-to-day activities involved in keeping things running smoothly for one of the premier Division I track and field programs in the nation.

In 1998, Boxley started coaching the UA men's and women's short (100 and 200 meters) sprints. She has coached the female student-athletes with the four-fastest times on UA's 100-meter top-10 list.

During the 2008 season, Boxley coached the men's 4x100-meter relay team to the NCAA Championships for the second-straight season, despite the squad losing two members from the previous season's All-America team. The 2008 team of Marcus Tyus, Bobby McCoy, Kyle Alston and Xuehan Xiong won the NCAA West Regional Championship title in the event and posted the fastest time in the conference with a 39.52. Boxley was also involved in helping Tyus run to his personal best of 10.50 in the 100 meters. Tyus went on to take all-conference honors, in addition to qualifying for the NCAA West Regional Championships.

In 2006, Boxley coached the women's 4x100-meter relay team to an NCAA berth and a school record. The team of Jennifer Whitlock, Marquita Taylor, Maritza Mora and Nikki Martin broke the school record with a time of 44.58. Whitlock (100-meter hurdles), Martin (100 and 200 meters) and Taylor (100, 200 and 400 meters) also each added their names to the Arizona top-10 lists. Martin and Taylor also made individual appearances at the NCAA Championships in the 100 meters and 200 meters, respectively. Martin ran the second-fastest 100-meter time in school history (11.35) and also moved into the top-10 in the 200 meters (No. 8, 23.99). Taylor ran the third-fastest time in the 100 meters (11.56), moved up to No. 4 in the 200 meters (23.45) and posted the eighth-fastest time in the 400 meters (53.94).

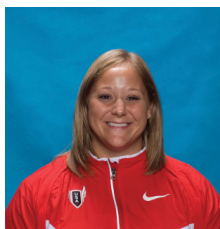

In 2005, she coached Martin to her first appearance at the NCAA Regional and Nationals Championships. In 2003, Boxley's group was paced by senior Senaybou Ndyiae, who ran the then-second-fastest 100 meters in school history (11.57) and was an NCAA competitor in both the 60-meter dash indoors and the 100 meters outdoors. Ndyiae, along with Taylor, was also a part of the 4x100-meter relay team that made a trip to the NCAA Championships.

Boxley was instrumental in Brianna Glenn's success, a multiple NCAA event champion while at Arizona. Glenn won a title in the 200 meters at the 2000 NCAA Outdoor Championships and placed third in the 100 meters at the same meet. Glenn also racked up numerous All-America honors, both indoors and outdoors, and she became the school-record holder in the 100 meters (11.33), 200 meters (22.91), indoor 60 meters (7.25) and indoor 200 meters (23.29).

Her post-collegiate coaching includes former Pac-10 Champion Akin Akinremi. Boxley also coached Danny Andrews, a former University of Miami student-athlete who is a leg amputee, at the 2004 Paralympics in Athens, Greece. Andrews was the gold medalist in the 400 meters, setting a new world record. He was also a member of the gold medal winning 4x100-meter and 4x400-meter relay teams.

Boxley was a sprinter for the Wildcats under now head coach Fred Harvey. She earned her degree from Arizona in 1996. She is married to former Wichita State pole vaulter Eric Boxley and they have two daughters: Ava Grace, 5 and Kyla Nicole, 2.
