ARIZONA TRACK & FIELD

Arizona Wildcats Track & Field Weekly Release - March 6, 2013

Qualifying for NCAA Championships: Qualification to the Championships is based on the descending order list for the season, prepared solely from the mandatory submission of meet results during the season and adhering to the Qualifying Regulations published in the Pre-Championships Manual. For each individual event contested at the Championships, the top 16 declared student-athletes will be accepted into the competition. For each relay event contested at the Championships, the top 12 declared relay teams will be accepted into the competition. The stated maximums are absolute and will not be extended as a result of ties.

Any descending order list ties, by mark, for the last position to be accepted, will be resolved by examining, of those tied, the second best valid qualifying meet performance submitted during the season, and so on until there is no basis for a mark comparison. For a tie not resolved after all available mark comparisons, acceptance will be awarded to the competitor who achieved the original tying mark later in the season. For a tie still not resolved, acceptance will be awarded to the competitor who achieved the second best valid qualifying meet performance later in the season, and so on until there is no basis for date comparison. As a last resort, the tie for the last qualifying position will be decided by the toss of a coin.

In the combined events (Heptathlon/Pentathlon), prior to deciding the last qualifying position by the toss of a coin, once all previously described tie breaking methods have been exhausted, ties will be resolved by examining, of those tied, the student-athlete who, in the greater number of events, has received more points than the other student-athlete(s). If still tied, the student-athlete(s) who have the highest number of points in a second event will win the tie. If a tie still remains, a third event will be examined and so forth until there is no basis for point comparison. For a tie not resolved after all available comparisons, acceptance will be awarded to the competitor who achieved the original tying points later in the season. If still tied, we will examine the next and so on until there is no basis for date comparison. As a last resort, the tie for the last qualifying position will be decided by the toss of a coin.
