Boys Overnight Camp
June 13-17 Grades 4-12, Ages 9-17
June 21-25 Grades 4-12, Ages 9-17
Enroll early! Sold out last 14 years!

The goal of the Lute Olson Wildcat Basketball Camp is to provide campers with the opportunity to improve their basketball skills. This improvement is accomplished by teaching solid fundamentals to each participant. During the week these fundamentals will be stressed in drills and implemented into games. Camp coaches recognize the value of good fundamentals and work hard on them each day with their players.

The camp includes offensive and defensive drills, one-on-one, three-on-three, and five-on-five situations. Rebounding, ball-handling, passing, individual defense, free throw shooting and jump shooting will all be covered thoroughly during the week.

Our goal at the individual camp is to expose the camper to the game's fundamentals. The one-week experience will provide an opportunity for participants to have fun and to leave our camp a better basketball player.

Camp sessions are held in McKale Center and Bear Down Gym.
