2001 Arizona Track and Field Schedule

Date	Meet	Site
Indoor Season		
Jan. 19-20	Pole Vault Summit	Reno, Nev.
Jan. 27	Wisconsin Invitational	Madison, Wis.
Feb. 9-10	Cannon VI Invitational	Indianapolis, Ind.
Feb. 10	Flagstaff Invitational	Flagstaff, Ariz.
Feb. 16	at NAU, vs. ASU	Flagstaff, Ariz.
Feb. 23-24	MPSF Championships	Los Angeles, Calif.
March 3	Iowa State Last Chance	Ames, Iowa
March 9-10	NCAA Indoor Championships	Fayetteville, Ark.
Outdoor Season		
March 3	Bill Sawyer Invitational	Tempe, Ariz.
March 16-17	Willie Williams Classic	Tucson, Ariz.
March 24	Jim Click Shootout	Tucson, Ariz.
March 30-31	Stanford Invitational	Stanford, Calif.
April 6-7	Texas Relays	Austin, Texas
April 13-14	Brutus Hamilton Invitational	Berkeley, Calif.
April 20	Mt. SAC Relays	Walnut, Calif.
April 20-21	Arizona Elite Classic	Tucson, Ariz.
April 27-28	Drake Relays	Des Moines, Iowa
May 5	at ASU, vs. NAU	Tempe, Ariz.
May 11-12	Pac-10 Combined Championships	Berkeley, Calif.
May 19-20	Pac-10 Conference Championships	Berkeley, Calif.
May 30-June 2	NCAA Outdoor Championships	Eugene, Ore.

Schedule and times are subject to change
Home meets in *italics*. Home meets are held at Drachman Stadium
(15th Street and Plumer Ave.)

Keeping Up

Arizona track and field information is available in several formats to the media. The release will be posted in text and Adobe Acrobat formats on the Arizona website (www.arizcats.com).

Additional information can be obtained by contacting SID Ryan Eigenbrode at 520-621-4163 or via e-mail (rce@u.arizona.edu).

Interviews of coaches and athletes should be set up through contacting the Media Relations Office.

Arizona Track and Field - Season-in-Review 4 NCAA titles, 16 Total All-Americans, Women Have Two 3rd Place Finishes at NCAAs

Upon Further Review: The Arizona track and field program had one of its finest seasons ever in 2001, capping the year with a third place finish by the women's team at the NCAA Outdoor Championships and three individual titles at the meet. The women, who scored 44 points and had the highest team finish ever by an Arizona team at the track championships, had three individual champions at the meet, highlighted by **Brianna Glenn's** remarkable performance. Glenn, a junior from La Mirada, Calif., won the long jump title on Wednesday of the championships and went on to win the 200m title and finish third in the 100m on Saturday. She scored 26 points for the Wildcats, which would have given her a 10th place finish as a one-woman team. Senior **Andrea Dutoit** won the first NCAA title of her career, taking home the pole vault competition against a strong field. The Arizona women got more points from freshman **Amy Linnen**, who finished fifth in the vault and junior **Angela Foster**, who was sixth in the hammer throw. The Wildcat women had almost as good of a finish, minus the individual champions, at the NCAA Indoor meet. Glenn, Dutoit, Linnen and junior **Tara Chaplin** combined to score 30 points at the Indoor Championships, good for a third place tie with Clemson. Dutoit finished tied for second and Linnen was fifth in the pole vault, while Chaplin placed second in the 5,000m, and Glenn was third in the 60m and fourth in the long jump. The Arizona men finished 13th with 15 points at the indoor meet with **Patrick Nduwimana** leading the way. Nduwimana won the 800m title and led the 4x400m relay team -- along with junior **Matt Lea**, senior **Mike Kenyon** and junior **Jules Doumbya** -- to a fourth place finish. The Arizona men did not score a point at the outdoor meet, but Kenyon earned All-America honors, as he did indoors in the 400m. Arizona's women finished sixth and the men were ninth at the Pac-10 Championships. The Wildcats hosted the MPSF Indoor Championships in Flagstaff, Ariz., and the women's team won the conference title and the men finished seconds. Glenn won the 60m and 200m, Chaplin took home the 3,000m 5,000m titles, Kenyon won the 400m, Nduwimana won the 800m and senior **Tom Prindiville** won the 3,000m at the meet.

16 All-Americans: Arizona scored a combined 16 All-Americans between the indoor and outdoor seasons. **Brianna Glenn** led the way with five (indoor 60m and long jump, outdoor 100m, 200m and long jump), while three others -- **Andrea Dutoit** (indoor and outdoor pole vault), **Amy Linnen** (indoor and outdoor pole vault) and **Mike Kenyon** (indoor and outdoor 400m) -- each had two. **Angela Foster** (hammer throw), **Tara Chaplin** (indoor 5,000m), senior **Erin Doherty** (outdoor 1,500m) and junior **Patrick Nduwimana** (indoor 800m) each won one. The men's indoor 4x400m relay team of Kenyon, Nduwimana, **Matt Lea** and **Jules Doumbya** earned All-America honors, as well.

Making History: **Brianna Glenn's** performances at the NCAA Championships will go down as some of the most remarkable in history as the junior scored 26 points at the meet. She won the long jump Wednesday night, finished third in the 100m Saturday afternoon and then won the 200m later that night. She was the only female athlete to win two individual titles, and she became the first woman in NCAA track and field history to win the long jump *and* a sprint event. Glenn also became the first Arizona woman to win an NCAA title in a track event shorter than 400m, and the first to win one shorter than 5,000m at an Outdoor Championships.

Pac-10 Championships: The Arizona women finished sixth and the men were ninth at the May 20-21 Pac-10 Championships. Junior **Brianna Glenn** pro-

vided the individual highlights, winning the 100m and 200m at the meet, continuing her unbeaten streak in both events this year. Senior **Mike Kenyon** finished second in the men's 400m, coming from way back in the race. Two other seniors, **Christian Banken** and **Andrea Dutoit**, finished second in the men's javelin and women's pole vault, respectively. The men's 4x100m relay team finished second, and senior **Liz Giltner** placed third in the high jump.

Breeze: Junior **Brianna Glenn** returns as one of the most versatile athletes in NCAA Division I track and field. Last year, she earned three All-America honors in the indoor 60m and long jump and outdoor 100m. She also reeled off school records in the indoor 60m, 200m and long jump and the outdoor 100m, long jump and was a member of the 4x100m relay team. Glenn broke her own school 100m record several times throughout the season, finally running a PR of 11.33 in the semifinals of the NCAA Championships in Durham, N.C. During the summer, Glenn continued her improvements, hitting the sand with a long jump record of 21-10 (6.65m) at a Pre-Olympic Trial meet in Flagstaff, Ariz. At the 2000 U.S. Olympic Trials, Glenn finished 11th in the finals of the long jump and was 12th in the semis of the 100m in Sacramento. This year she continued her elite performances during the indoor season. She ran the No. 2 collegiate time this season in the 60m, 7.26, at the Iowa State Last Chance meet. At the 2001 NCAA Indoor Championships, Glenn finished third in the 60m (7.35) and fourth in the long jump (21-1 1/4, 6.43m), earning All-America finished in both. She won three events at the Jim Click Shootout, bring home the 100m (11.48), 200m (23.59) and long jump (21-0, 6.40m) titles. Glenn again dominated the 100m field at the Texas Relays, winning the Invitational 100m in 11.21w. Last weekend, she won the 100m and 200m at the Brutus Hamilton Invitational in Berkeley, Calif., easily beating rival Angela Williams of USC in the 200m. Glenn beat a former Trojan, Nike's Torri Edwards, in impressive fashion at the Mt. SAC Relays. Glenn clocked a time of 11.16w to win the Invitational 100m crown. She earned Pac-10 Female Track Athlete of the Week for the second time this season with that finish. Glenn then ran her best 200m of the season, clocking a time of 23.34, an NCAA provisional time, to win the Special 200m at the Drake Relays. Glenn then further made a name for herself at the Pac-10 Championships, winning the 100m and 200m titles at the meet. Glenn further etched her name into the conscious of the U.S. track and field world, winning the long jump and 200m at the NCAA Championships. She jumped a 21-5 1/4 (6.56m) to win the long jump and ran 22.92, although the wind was just over the allowable limit at +2.1mps, to win the 200m. Glenn also finished third in the 100m at the meet, scoring 26 points for the Wildcats. She win run the 100m and long jump at the upcoming USATF Championships in Eugene, Ore.

Chaplin Chatter: Four-time All-American **Tara Chaplin** has been one of the top female distance runners in the nation over the past three seasons. The junior has shown again this year that she will continue to hold that position, finishing second in the 5,000m at the NCAA Indoor Championships and then running her No. 2 outdoor 5,000m time early in the season. At the Stanford Invitational, March 30, Chaplin ran 16:12.53, just off her outdoor PR of 16:11.73, which she ran at Stanford last May. Chaplin, a Montpelier, Vt., native won the 2000 Pac-10 Cross Country Championship and was the 1999 Pac-10 5,000m winner as a freshman. Chaplin coasted to a win at the Brutus Hamilton Invitational in the 5,000m, running 16:45.43.

Smart Vault: One would have to ask, how smart can a person be if they propel themselves into the air on a fiberglass pole, risking life and limb to clear a bar? When talking about Arizona senior **Andrea Dutoit**, the answer is very smart. Dutoit, who was formerly Andrea Neary before marrying former Wildcat pole vaulter Jeff Dutoit during the summer of 2000, was an indoor and outdoor All-American last year, and earned Academic All-America honors with a 4.0 grade point average in physiological sciences. She was an Academic All-Pac-10 selection and was named the 2000 Raytheon Female Athlete of the Year for her work in the classroom and athletically. She cleared 13-1 1/2 (4.00m) twice in 2000 -- at the Jim Click Shootout and the NCAA Championships. She also qualified for and competed at the Olympic Trials, although she did not clear a height. In her first competition of the 2001 indoor season, Dutoit shattered the school record, clearing 13-5 1/4 (4.10m) at the Pole Vault Summit in Reno, Nev. That mark is the No. 3 performance overall, No. 2 indoors, in Pacific-10 Conference history. She then tied the school record with a win in the vault at the UA-ASU-NAU dual meet in Flagstaff Feb. 16. She came through at the NCAA Indoor Championships, finishing tied for second with UCLA's Tracy O'Hara at 13-9 1/4 (4.20m), a new school record. It took a collegiate record, 14-9 1/2 (4.51m) by Georgia's Thorey Elisdottir, to beat Dutoit. She began her outdoor meet with another auto qualifier and school record, 13-5 1/4 (4.10m) at the Willie Williams Classic

- MORE -

Arizona Track and Field - Page Three

on March 16. She reached that height again at the Texas Relays, finishing third, second collegiately. Dutoit then won the pole vault at the Brutus Hamilton Invitational, clearing 13-1 1/2 (4.00m). Dutoit reset the school outdoor record in Tempe, Ariz., at the May 5 intrastate dual meet, clearing 13-7 1/4 (4.15m). She improved that mark two weeks later, finishing second at the Pac-10 Championships with a clearance of 13-9 1/4 (4.20m), equalling her indoor record. Dutoit brought her career to a culmination at the NCAA Outdoor Championships. She won the pole vault title with a clearance of 14-9 1/4 (4.20m), setting the school record in the process one final time. Dutoit beat a class field at included reigning indoor and outdoor champ Tracy O'Hara of UCLA and Georgia's Thorey Elisdottir.

Grand Kenyon: Arizona senior **Mike Kenyon** made a name for himself last season in his first year as a Wildcat after transferring from Cal State-Sacramento. He ran the second-fastest time in school outdoor history, 45.78. That time also qualified him for the NCAA Outdoor Championships. This year, however, he is writing his name permanently into the school record books. After running 47.16 on Feb. 10 in Cannon IV Classic in Indianapolis to set the school record, Kenyon ran 46.56 in Flagstaff on Feb. 16, a strong NCAA provisional qualifier. The following week, he won the 400m title at the MPSF Championships in Flagstaff. Kenyon advanced to the NCAA Indoor Championships where he finished fourth in his heat and 11th overall, earning All-America honors. He also ran a very fast leg on the 4x400m relay, helping it finish fourth in school record time, 3:06.50. Kenyon opened his outdoor season with a NCAA provisional time of 46.15 to win the event at the Willie Williams Classic. Kenyon then ran 45.97, another provisional time, to easily win the 400m at the Jim Click Shootout. Kenyon then coasted to a win in the 200m (21.52) and finished second in the 400m (46.71) in the 400m at the Brutus Hamilton Invitational. Kenyon ran a PB and the No. 2 time in school history of 45.43 May 5 at the intrastate dual meet in Tempe, Ariz. He beat ASU's Tony Berrian and Michael Campbell, two of the top 400m runners in the country, in the event, finishing just 0.03 off the NCAA automatic time. He would go on to finish second behind Berrian at the Pac-10 Championships, running 46.02.

Fab Frosh: The Wildcats already had a slew of talented women's pole vaulters before **Amy Linnen** came to Tucson as a freshman this year. As a senior at Mt. Siani (N.Y.) High School, Linnen was the No. 1 prep vaulter and she has continued her progress this year. She opened her season with 12-7 1/2 (3.85m) and 12-8 (3.86m) performances and then broke the 13-foot mark with a 13-1 3/4 (4.01m) Feb. 16 in Flagstaff. The following weekend in Flagstaff, she finished second at the MPSF Championships with a vault of 13-2 1/2 (4.03m). At the NCAA Indoor Championships, she really took off, finishing fifth at 13-9 1/4 (4.20m). That mark ties her for third best collegiality this year and ties her with senior Andrea Dutoit for the school indoor record. Linnen missed the first four weeks of the outdoor season with a laceration on her hand, but came back in impressive fashion, finishing second at the Texas Relays with a clearance at 13-5 1/4 (4.10m), the NCAA auto standard. Linnen cleared that same height to finish fifth at her first NCAA Indoor Championships

Finding Foster: The Arizona women's team received a bolster over the Christmas holidays when junior **Angela Foster** enrolled in school. She became the NJCAA national record holder in the hammer at Moorpark College in Southern California last year, but she signed and was intending on competing at Purdue this year. However, because of a coaching change there, she transferred to Arizona and has made an immediate impact. At the Willie Williams Classic, she shattered the school and Drachman Stadium record in the hammer throw with a colossal toss of 207-3 (63.16m). That mark, an NCAA automatic qualifier ranks No. 9 all-time collegiality, No. 7 amongst American collegiates and is No. 2 in Pacific-10

Conference history. Foster then threw the hammer 197-8 (60.24m) in a meet at UC-San Diego. She finished third in the hammer at the Texas Relays with a toss of 202-7 (61.74m). Foster concluded her collegiate season with an impressive fifth place finish at the NCAA Championships with a toss of 204-1 (62.21m). She had three throws in the series that were over 200-feet.

St. Patrick: As if an NCAA Outdoor Championship, Olympic semi-final appearance and 800m PR of 1:44.06 were not enough, **Patrick Nduwimana** returned to Arizona for one final year of indoor eligibility. He was forced to sit out the 2000 indoor season with an Achilles' tendon injury, which proved to be a blessing in disguise for the Wildcats, as Nduwimana went on to win the 800m title at the 2001 NCAA Indoor Championships in record-setting fashion and anchored the 4x400m relay team to a fourth place finish at the meet. His time, 1:45.33, at the Indoor Championships set an NCAA meet and school indoor record. He also was a part of the 4x400m relay team that ran 3:06.50 to set a school record and finish fourth at the meet. In 2000, Nduwimana won the NCAA Outdoor 800m title in a blazing time of 1:45.08, and he continued his excellent running on the European circuit during the summer. He continually dropped his 800m school record at meets around Europe, finally running 1:44.06 in Brussels, Belgium on Aug. 25. He then travelled to Sydney, Australia, to run in the 2000 Summer Olympics for his native Burundi. He finished second in his qualifying heat and then was fifth in an uncharastically slow time in the semifinals. Nonetheless, Nduwimana finished with the No. 10 time in the world, the top finish for any returning collegiate athlete. His time at the NCAA Championships was also the fastest run on U.S. soil last year.

Impressive Indoors: The Wildcats capped their finest indoor season in school history last week with a fantastic performance at the NCAA Indoor Championships. Arizona's women took only four athletes to the meet in Fayetteville, Ark., but they brought home a trophy (kind of) with a tie for third place and each athlete earned All-America honors. The only downside to the competition was that since Arizona tied Clemson for third with 30 points, a coin-flip was necessary to determine who took home the trophy and who gets one in the mail later. Unfortunately, Wildcat head coach Dave Murray lost the flip, so the trophy will come later from the NCAA. The Arizona men fared almost as well, finishing 13th with 15 points. Senior **Patrick Nduwimana** closed his Arizona career with a bang, winning the 800m title in a collegiate all-time best of 1:45.33. The race was Nduwimana's last as a Wildcat since he concluded his outdoor eligibility in 2000. The men's 4x400m relay team of junior **Matt Lea**, senior **Mike Kenyon**, junior **Jules Doumbya**, and Nduwimana finished fourth at the meet, setting a school record, 3:06.50, in the process. The pole vault was the major source of points for the Wildcat women as senior **Andrea Dutoit** tied for second, and freshman **Amy Linnen** placed fifth. Both athletes cleared huge PBs of 13-9 1/4 (4.20m), as did UCLA's Tracy O'Hara and Houston's Rhian Clark, so the placing was decided with the countback. Junior **Tara Chaplin** achieved her best finish ever at an NCAA event, finishing second in the 5,000m (16:13.58). Junior **Brianna Glenn** finished third in the 60m (7.35) and fourth in the long jump (21-1 1/4, 6.43m). Kenyon also earned All-America honors by finishing 11th in the 400m (47.12). In all, the Wildcats earned seven individual All-America laurels and a relay All-America honors at the meet, not bad for taking only six athletes and one relay team.

2000 In Review: The University of Arizona track and field teams concluded one of the best seasons in school history at the NCAA Championships in Durham, N.C., taking home two national titles and seven All-America honors. After earning five All-America honors at the Indoor Championships in March, the Wildcats finished with 12 All-America honors, two NCAA titles, two top-20 team finishes and a top-10 team finish. The men's team took only five competitors to the NCAA Championships in Durham, and only three people scored, but they scored big, and the Wildcats placed sixth

Arizona Track and Field - Page Four

out of 75 scoring teams with 26 points. Senior **Esko Mikkola** and junior **Patrick Nduwimana** won NCAA individual titles in the javelin and 800m, respectively. Senior **Jeff Dutoit** finished third in the men's pole vault and nearly won a national title himself. The women's team had a very successful season, as well. They finished tied for 19th out of 72 scoring teams at the NCAA Championships with 12 points. Sophomore **Brianna Glenn** finished fourth in the 100m, senior **Carolyn Jackson** placed fifth in the 400m, and junior **Andrea Neary** finished sixth in the pole vault.

Looking Back: Arizona beat Northern Arizona in men's and women's dual meet competition, but was edged in both scores by Arizona State at the annual intrastate dual meet on May 5. Senior **Mike Kenyon** provided one of the individual highlights of the meet for Arizona, winning the 400m in 45.43, a PB and No. 2 time in school history. Senior **Andrea Dutoit** broke her own school outdoor record in the pole vault, clearing 13-7 1/4 (4.15m) to win the competition. Junior **Brianna Glenn** claimed victories in the 100m and 200m and finished second in the long jump. Other event winners at the meet for the Wildcats were senior **Erin Doherty** (1,500m), junior **Tara Chaplin** (3,000m), junior **Nicole Kraus** (hammer), sophomore **Matt Wagner** (javelin), junior **Jules Doumbya** (400m hurdles) and freshman **Kevin Opalka** (pole vault)... Senior **Erin Doherty** and junior **Brianna Glenn** took home event titles at the Drake Relays April 27-28 in Des Moines, Iowa. Glenn won the Invitational 200m in 23.34w, while Doherty claimed the collegiate/open 1,500m title in 4:26.21. Both times were personal-bests, although Glenn has a faster wind-aided time. Senior **Rori Kelly** finished sixth in the collegiate/open 100m high hurdles, running 13.53, while sophomore **Alexandra Komnos** finished fifth in the Special 100m high hurdles, running 13.60... Junior **Brianna Glenn** was spectacular again, winning the Invitational 100m at the Mt. SAC Relays on April 22. Glenn ran 11.16w, beating Nike's Torri Edwards, 11.20w, down the stretch. Junior **Steve Smith** ran a PB in the 3,000m steeplechase at the meet, 8:51.82, an NCAA provisional qualifying time. Sophomore **Nicole Gurnicz** also ran a PB in the women's steeplechase, 10:21.32, improving her provisional qualifier. Senior **Katrin Engelen** and freshman **Beth Hoge** both picked up PBs in the 5,000m, 16:33.28 and 16:37.17, respectively... The Arizona women finished second and the Wildcat men were third at the Brutus Hamilton Invitational in Berkeley, Calif., last weekend. Junior **Brianna Glenn** again led the Wildcat women, winning both the 100m and 200m in impressive fashion. Senior **Andrea Dutoit** won the pole vault, and freshman **Teresa Frierson** claimed victory in the 400m. On the men's side, senior **Mike Kenyon** won the 200m and was second in the 400m. Freshman **Kevin Opalka** was finished first for the first time in his collegiate career, winning the men's pole vault... Junior **Brianna Glenn** dominated the 100m at the Texas Relays for the second straight season, this year capturing the Invitational 100m title in 11.21w. Her time set a Myers Stadium record and is a PB for her, although wind-aided. Freshman **Amy Linnen** and senior **Andrea Dutoit** finished 2-3, 1-2 collegiality, in the pole vault, both clearing 13-5 1/4 (4.10m), the NCAA auto standard. The men's 4x400m relay team of **Matt Lea**, **Keith Varga**, **Jules Doumbya** and **Mike Kenyon** finished fourth in the invitational 4x400m, running 3:07.74, the seventh-best time in school history... Arizona's distance runners and throwers were the only ones in action March 30-31 at the Stanford Invitational and UC-San Diego Invitational, respectively. Junior **Tara Chaplin** had the most impressive run of Arizona's weekend at Stanford, clocking a time of 16:12.53 in the 5,000m, an NCAA automatic qualifier and her second-best outdoor time ever. Junior **Angela Foster** was the top collegiate finisher and third overall in the hammer throw at the UC-San Diego meet, notching a throw of 197-8 (60.24m)... The Wildcat women won the team title at the Jim Click Shootout with 191.50 points over Georgia, Nebraska and Oklahoma. Arizona's men finished second being the Cornhuskers. Senior **Rori Kelly** flew to an NCAA provisional qualifying time of 13.49 in the 100m hurdles, winning the event in the No. 4 time in school history. Senior **Mike Kenyon** won the 400m in an NCAA provisional time

of 45.97, while junior **Brianna Glenn** won the 100m, 200m and long jump titles... At its first home meet of the season, the Willie Williams Classic, March 16-17, the Wildcats recorded several NCAA qualifying marks. Junior **Angela Foster** provided the biggest performance of the meet, throwing the hammer 207-3 (63.16m), a school and Drachman Stadium record. Seniors **Mike Kenyon** and **Christian Banken** provisionally qualified for the NCAAs in the 400m and javelin, respectively, while **Brianna Glenn** notched a provisional time in the 100m. **Katrin Engelen** and **Nicole Gurnicz** also earned provisional times in the first-ever 3,000m steeplechase run by Arizona women... Junior **Brianna Glenn** turned in two record setting performances at the Iowa State Last Chance meet March 2. She won the 60m in 7.26 seconds, and the long jump with a mark of 21-6 1/4 (6.56m). Both marks are school records and No. 2 in the nation in the events. Several other members of the team opened their outdoor seasons at the Bill Sawyer Invitational in Tempe, Ariz. Highlighting the competition there, junior **Angela Foster** turned in a school record throw in the hammer (194-6, 59.30m) in her first outdoor competition as a Wildcat... The Arizona women's team won the MPSF Championships at the meet, Feb. 23-24, in Flagstaff, Ariz. **Brianna Glenn** won the 60m and 200m and finished second in the long jump. **Tara Chaplin** won the 3,000m and 5,000m, as well. The men's team finished second at the meet, as **Mike Kenyon** won the 400m and led the 4x400m relay team to a second place finish and school indoor record. **Patrick Nduwimana** won the 800m, and **Tom Prindiville** captured the 3,000m title... The Wildcats recorded several outstanding times and performances at the NAU-ASU double-dual meet Feb. 16 in Flagstaff. Senior **Mike Kenyon** set the school indoor record for the second week in a row, clocking at time of 46.56 seconds in the Skydome. The Arizona 4x400m time also ran a very quick time. The team of **Matt Lea**, **Kenyon**, **Jules Doumbya** and **Patrick Nduwimana** ran 3:09.54, just three-hundredths off the school indoor record. Senior **Andrea Dutoit** tied her own school record in the pole vault with a clearance of 13-5 1/4 (4.10m), while freshman **Amy Linnen** finished second in the vault with a PR of 13-1 3/4 (4.01m)... Arizona had several outstanding performances over the competitive weekend of Feb. 9-10 at the Cannon IV Classic and Flagstaff Invitational. Senior **Mike Kenyon** set a school record in the 400m (47.16), and junior **Brianna Glenn** broke her own indoor long jump record, hitting the sand at 20-10 3/4 (6.37m). In Flagstaff, junior **Richard Legarra** notched a big PR in the shot put, with a toss of 57-11 3/4 (17.67m). Others collecting NCAA provisional qualifying marks were senior **Patrick Nduwimana** (800m, 1:48.65), junior **Cara Cline** (800m, 2:08.38) and junior **Tara Chaplin** (3,000m, 9:36.83)... Arizona took home 13 event titles at the Wisconsin Elite Classic in Madison Jan. 27. Junior **Brianna Glenn** won both the 60m and long jump titles with strong NCAA provisional qualifying marks, 7.38 and 20-8 1/2 (6.31m). Junior **Richard Legarra** also won two events, taking the shot and 35-lb. weight throw titles with marks of 60-4 1/2 (18.41m) and 55-7 1/2 (16.95m), respectively.

The Coaches: Director of track and field and cross country **Dave Murray** (Arizona, '65) enters his 34th year as a coach at Arizona, making him the longest tenured coach in the Wildcat athletic department. In his years at Arizona, Murray has coached 146 All-Americans in cross country and track and field and 23 NCAA individual champions. Associate head coach **Fred Harvey** (14th year, Cal Poly-SLO, '82) coaches the Arizona sprinters, hurdles and relay teams. Harvey has coached several world-class athletes, such as Patrick Nduwimana, a 2000 Olympic semifinalist and current Wildcat. Assistant coach **Tom Hays** (4th year, Kansas, '89) is one of the top pole vault coaches in the nation and will direct the Wildcat jumpers this season. The newest face in the Wildcat track and field offices is assistant coach **John Frazier** (1st year, UCLA, '86). Frazier came to Arizona from Florida and will lead the Wildcat throwers. Assistant coach **Dawn Mortensen** (4th year, Arizona, '96) was a standout sprinter for the Wildcats in the 1990s and now works with the Arizona sprinters and hurdlers.
