2014 SEASON OUTLOOK

In 2014, the Arizona softball team, led by Mike Candrea in his 29th year as head coach, will look to its depth and experience to get it back to Oklahoma City and the Women's College World Series, a destination it has not been since 2010.

The Wildcats bring back seven offensive starters and all three pitchers from a season ago, while welcoming a myriad of new talent. Two key players – pitcher Kenzie Fowler and shortstop Kellie Fox – were forced to redshirt in 2013 and appear poised to make a tremendous impact to the squad in 2014.

"I like this team," said Candrea. "We've really helped ourselves by bringing in a little more talent. The thing I like is our depth and our ability to have a lot of different options out there."

Arizona's versatility should play a great factor, with many players being able to play multiple positions.

"When we move those options I don't think we lose a lot," said Candrea. "There's a lot of different things that we can do this year to try and find out what that magical number is going to be."

In 2013, Arizona failed to earn a regional title for just the second time in the last 27 seasons, leaving the players motivated to return the program to its standard.

"I think the big thing about this team is that they're hungry," said Candrea. "They're out to prove a point that they want to leave their legacy at Arizona. It's time for us right now to start playing the game and executing the game. I think we had a good fall (season). The pieces are there, now it's just a matter of going out and executing."

UA will be led by five seniors and five juniors, all of whom have taken the new talent under their wings and helped bring them up to speed on collegiate and Arizona softball. The Wildcats welcome nine newcomers to the squad this season – four freshmen and five transfers.

OUTFIELD

With nine outfielders, the team has plenty of options to fill the three spots. The Cats can put its best offensive lineup out there, or can play for defense depending on the situation. But one thing is for sure – senior Alex Lavine will man centerfield and give Arizona one of the best of the best defensive centerfielders in the game.

Combining her range, arm strength and assertiveness, Lavine will be a force anchoring Arizona's outfield.

"Lavine is an absolute bulldog," said Candrea. "She's a kid that

came here and walked on and has earned everything that she has and has become a really good player. She takes control of the outfield. She has tremendous pride. She puts on that uniform and she plays that game one way – hard."

Redshirt junior Chelsea Suitos, who played shortstop in high school and bounced around defensively her first two seasons at Arizona, will play left field. Suitos, a career .311 hitter and 26-of-27 in career stolen bases, is a skilled slapper whose offensive assets are too valuable to keep out of the lineup. Her plus speed and developing arm strength could lead to a solid defensive year as well.

"Suitos is solid," said Candrea. "She's a kid that understands the game. I think her arm strength has gotten better. She's a kid that you have to have in the lineup because she makes things happen."

Right field could be a revolving door with plenty of impressive options. Should Candrea choose to go with his best offensive lineup, it will be freshman slugger Katiyana Mauga, an infielder who has been a pleasant surprise in the outfield. Sophomore Courtney Rodriguez, who Candrea calls the team's most improved player, has made strides since hitting just .127 in 36 starts last season; Rodriguez led the team with a .727 average during the fall.

Newcomers Payton Kornfeind, Cynthia Pelayo, Siera Phillips, Erika Tapia and Eva Watson will provide depth in the outfield and will likely see time as defensive replacements as well as pinch runners.

Four-time All-American Caitlin Lowe, who served as the team's director of operations in 2013, assumes a new role in 2014 – the team's volunteer assistant coach. Lowe will coach the outfielders. The two-time national champion brings her expertise on defense, base running and slapping and should have a tremendous impact on Arizona's success.

"Caitlin has done a nice job working with our outfielders and giving them a lot of knowledge," said Candrea. "They work very hard and I think they're going to be a very stable group. I don't have any doubts that they will be able to do everything we need them to do to be successful."

INFIELD

The supreme athleticism at every position appears to be a recipe for a special season for the infielders.

"Our infield is very talented," said Candrea. "I can't remember the last time I could look around the infield and have talent at every position. You have experience and great softball instincts in the field. We have kids who understand what it takes to play this game at a high level for a change. They're very capable of

physically doing it. I feel it's going to be a strength for us."

UA will have a new double-play combination, but a very talented one at that. Transfer Kellie Fox and freshman Mo Mercado give Arizona two very talented defenders up the middle.

"I think we have a chance to have one of the very best combinations up the middle that I've had here," said Candrea.

Their offense should be equally as impressive, as both are solid hitters who possess power to all fields. Fox hit .295 in two seasons at UCLA with 15 home runs and 67 RBI; Mercado hit .583 during eight fall contests with three doubles and two home runs.

At the corner spots, the Wildcats will be equally impressive, with Hallie Wilson and Lauren Young manning first and third, respectively. Both aggressive, solid defenders, they should be a lethal combination in thwarting opposing teams' short games.

Wilson, a preseason USA Softball Player of the Year Watch List member and first-team all-Pac-12 performer, has led Arizona in batting average each of her first two seasons at Arizona and possesses a career .359 average. The on-base specialist has developing power, making her perhaps Arizona's biggest offensive threat.

"Athletically, Hallie is our most gifted player," said Candrea. "This year she's come back in great shape and is probably a step quicker. She's worked really ,really hard and brings great leadership and great skills. She's one of the best in the country."

Young, a Pac-12 all-freshman performer in 2013, looks to improve on a season in which she hit 12 home runs and drove in 36 runs. She will continue to be a force in the middle of Arizona's lineup.

"Lauren is gifted," said Candrea. "She's proven that she's as good as anyone at third."

PITCHERS

The pitching staff is a microcosm of the entire team, boasting immense depth and veteran leadership. The staff is made up of five pitchers, including three seniors. The five pitchers are the most Candrea has ever had.

"They've worked hard and improved," said Candrea. "We have a lot of different options and I think that will be a part of the game, as always, that develops as the season goes on."

The Cats welcome back All-American Kenzie Fowler, who redshirted last season due to offseason back surgery. Fowler led Arizona to the 2010 WCWS title game and was one of 10 finalists for the USA Softball Player of the Year. The fifth-year senior has a career 1.95 ERA and is already in the Arizona career top 10 in victories (8th - 79) and strikeouts (6th - 794).

"Kenzie is in a good place right now," said Candrea. "Overall, I'm very excited for what she brings to the table and I still believe that she can be one of the best in the country."

Fellow senior Shelby Babcock has logged 539 career innings, 10th most in school history. The hard-throwing righty has fine-tuned some of her mechanics and is ready to make her senior season her best in an Arizona uniform.

"I think the big thing with her is consistency," said Candrea. "She has worked hard and she deserves to have a good year. It's her senior year so it's time to shine."

Estela Piñon, a junior-college transfer prior to 2013, did an excellent job in the circle for Arizona last season and will look to improve upon her performance with a year of Division I softball under her belt. She will look to pick up where she left off in 2013, when she led the team with a 3.53 ERA. More impressively, in her final 22.1 innings of the season, spanning 11 relief appearances, she allowed only two earned runs (0.63 ERA), both of which came in Arizona's final game of the season against Baylor.

"I thought Stela had a great year last year," said Candrea. "I think she came in and threw some great games. I think she continues to get better and she's a kid we are definitely going to rely on to give us some great innings."

The three seniors have helped greatly with Arizona's two talented underclassmen – sophomore Nancy Bowling and freshman Michelle Floyd. Both are hard throwers with excellent stuff still learning to pitch at this level.

"I think Nancy can be a dominant force and I'm waiting for that moment for her to break open," said Candrea. "And I think Michelle's going to be able to give us some quality innings. She has a very stable mindset as a pitcher. She understands what we are trying to do."

Making things a little easier is the fact that the defense behind the pitchers should be stellar.

"Our goal is to get ground balls," said Candrea.

Additionally, it is hard to find a better instructor than threetime All-American Alicia Hollowell, who enters her second year as the Wildcats' pitching coach.

CATCHERS

Behind the plate, Arizona boasts two of its most productive members of its lineup, who will split time between catching and the designated player. Chelsea Goodacre and Kelsey Rodri-

guez are two middle-of-the-order type hitters, but Candrea is more concerned with their ability to play defense.

"We're solid behind the plate," said Candrea. "They definitely understand that one of their key roles is to be able to be a field general. I think they're much more vocal. They're making it a point to understand each pitcher and what each pitcher needs from them."

Offensively, the two will look to continue to be two of the best hitters in the Wildcats' lineup.

In 2013, Goodacre hit 17 homers and drove in 58 runs, best on the team and fifth in the conference in both categories. In the fall, she showed no signs of letting up with a .708 batting average with nine home runs in 24 at-bats. The junior should remain Arizona's prime source of power.

"I think Goody is someone who is talented and is finally starting to put all the pieces together," said Candrea. "I think she has matured a lot. I think she is understanding the role of a catcher. I think she has a great IQ for calling pitches, both her and Kelsey have that. I think she is going to be a force at the plate."

In 2013, Rodriguez, in her first season after transferring from Pacific, hit .317 with 28 RBI. Rodriguez does not possess elite power, but does many little things to make her a very effective offensive threat.

"Kelsey is one of a kind," said Candrea. "She is smart, intelligent and a hard worker. She is a relentless worker. I think she is a very good hitter and she will be in the lineup somewhere. I think she is a kid that can hit .350 and drive in some runs for us."

Though the offense will be important from the backstop tandem, the way the two can manage a pitching staff and command the defense will be instrumental to Arizona's success.

Mike Candrea enters his 29th season as the head coach of the University of Arizona softball team in 2014 and under his guidance reaching the pinnacle should once again underscore a record of success almost unparalleled by any program in any sport at any level.

Candrea is one of the most respected coaches in the nation, with the accomplishments to supplement: eight national titles in 23 seasons, 21 trips to the Women's College World Series in the last 24 seasons, 1,343 career victories, a mind-boggling career winning percentage of 81%, 50 All-Americans, four national players of the year and stewardship of Team USA to an Olympic gold medal, to name a few.

Candrea earned the 1,300th victory of his career in 2012 when Arizona defeated Utah 4-2 on April 11. Like many milestones before this, Candrea was the fastest coach in NCAA softball history to 1,300 wins. Only one other coach has eclipsed this mark, Margie Wright of Fresno State, who accomplished the feat in her 30th season, while Candrea did so in his 25th season of coaching.

The aforementioned gold medal came with his stint as the head coach of Team USA in 2004. His second Olympic squad took home the silver in 2008. Softball has since been erased from Olympic competition, but Candrea's work in the sport's final two Olympic years will not soon be forgotten. Under his tutelage in 2004, the team posted a perfect 9-0 record, outscoring its opponents 51-1 on its way to a gold medal in one of the most dominant team performances in Olympic history. In 2008, the team came just short of winning its fourth consecutive gold medal.

Since 1988, UA has won fewer than five postseason games just three times and has eclipsed the 50-win mark 17 times and won at least 33 games in the other years. No one talks about losing around Arizona softball, but even in lean times the Wildcats did not lose 25 games in any of the 27 seasons under Candrea's watch. Avoiding a "down" year has been a trademark of Candrea's program, and one not universally shared even among the game's elite.

Candrea is not one to back down from a challenge. On a daily basis, he challenges his players, and when it comes to drawing up

the schedule of opponents, his philosophy is no different. He builds schedules as tough as any in the country. A recent sampling shows years where Arizona won 30 games against NCAA Tournament-bound squads.

His teams' victory totals of 67 in 1998, 66 wins in 1995, 65 victories in 2001, 64 victories in 1994 and 61 in 1997 are among the top 10 in the NCAA record books. Including a five-season stint as a junior college coach at Central Arizona, Candrea has a career record of 1,473-377-2. That computes to a phenomenal winning percent of .796.

That proficiency started at Arizona with the hiring of Candrea prior to the 1986 season, the school's transition in Pacific West Conference play before the start of Pac-10 ball in 1987. UA finished 27-13-1 that first year, his second "worst" record to date. The following season, the Cats were 42-18 and qualified for their first of 27-straight NCAA postseason appearances.

Those early years marked the upswing in Candrea's recruiting skill at the Division I level and by 1988, the team turned in a 54-18 record, made it to the Women's College World Series for the first time and recorded two WCWS victories. That year, pitcher Teresa Cherry became Candrea's first UA All-American.

The ensuing years provided more of the same – UA finished 48-19 in 1989 and 49-17 in 1990, placed third and second, respectively, in the tough Pac-10, but still came up short in WCWS play.

The bigger picture jelled in 1991 when things looked somewhat bleak as the Cats finished 11-9 and fourth in conference play – tied for his worst finish. Once in the postseason, a gutty and defensive-oriented UA team swept Arizona State in NCAA Regional play in Tempe and went on to play five games pivotal to the history of Arizona softball, at Oklahoma City in the College World Series. Candrea and the Cats earned their first national championship, beating UCLA 5-1 in the title game.

The program was off and running and Tucson became a destination for many of the best young players in the game, finishing the decade of the 1990s with 523 victories against 75 losses. Other national championships followed - 1993, 1994, 1996, 1997, 2001, 2006 and 2007. Following each of the titles in 1994, 1996, 1997 and 2007, Candrea was named the National Fastpitch Coaches Association Division I Coach of the Year.

Candrea knows you don't win games without players. A succession of top-level players – sluggers, hitters, dominant pitchers,

Olympians – has kept Arizona at the top. For 22-consecutive years, from 1990 to 2011, at least two of Candrea's players earned All-America honors in voting by the coaches' association. Four times it was six players – the only time that many players from one team were chosen. In 1994, 1995 and 1998, the six selections were all first-team All-Americans. In 1997, all five Arizona honorees were first-team players, as were the four selected in 2004.

Candrea has stressed academic success, as well, with K'Lee Arredondo (2010, first team), Autumn Champion (2006, second team), Leah O'Brien (first team, 1994, 1995 and 1997), Jenny Dalton (first team in 1996, second team in 1995) and Nancy Evans (1998) earning Academic All-America honors.

Candrea is sought out by softball and baseball coaches around the country and has delivered instructional clinics throughout the nation. He is particularly known for hitting techniques, team fielding drills and squad motivational preparation. In recent years, he has consulted with Major League Baseball stars and other learned technicians to conduct national hitting clinics, and he participates in dozens of such sessions to help improve the way softball is taught and played. He has written several books and produced a number of videotapes on various softball subjects and has designed specific practice aids and equipment that are widely used at various levels of play.

Still, just watching him work with a hitter, some balls and a batting tee show the true value of his coaching and his love of teaching. He enjoys the work, is able to communicate and uses an encouraging but firm style. His pre-game infield drill is an

example. It's a smooth, fast-paced warm up that's done exactly the same each time.

Candrea's style of play, public comportment and the consistent winning puts Wildcat fans in the stands at Rita Hillenbrand Memorial Stadium. The Wildcats set the NCAA record for attendance in 2011, attracting 77,129 fans over 30 home dates. The Wildcat faithful have led the country in home attendance per game in five of the last seven years and have earned the distinction nine times since the stadium's opening in 1993.

Candrea began his softball coaching career at Central Arizona College (CAC) from 1981-85. His team won consecutive NJCAA World Series in his final two seasons, earning him national coach the year honors each time. Prior to coaching softball, he was an assistant baseball coach at Central from 1976-80. On January 18, 2009, Candrea was inducted into the inaugural CAC Hall of Fame Class.

Also a baseball player at CAC, Candrea's playing career was cut short by an elbow injury. He earned an associate's degree at CAC in 1975, a bachelor's degree at Arizona State in 1978 and a master's degree from ASU in 1980.

Candrea was married to the former Sue Ellen Hudson for 28 years until her tragic death in July 2004, just 10 days prior to the Olympic Games.

On Dec. 30, 2006, he wed the former Tina Tilton at The Westin La Paloma Resort and Spa in Tucson. Candrea has a son Mikel, 34, and daughter Michelle, 31, in addition to stepsons Ryan, 36, and Sean Tilton, 23. Mikel, a 2004 Arizona graduate, worked with the baseball team and strength and conditioning programs prior to his graduation. He is currently a private hitting instructor in Sacramento, California. Michelle celebrated the birth of her son, Jaylen Mikel, on Oct. 27, 2005. Jaylen is Candrea's first grandchild. Both Ryan and Sean are students at the University of Arizona, and Ryan works as a personal trainer.

She was head coach at Yavapai for four seasons and took all four teams to the national tournament's final weekend.

She was NJCAA National Coach of the Year following her first title in 2004 and her staff at YC earned the National Fastpitch Coaches Association/NJCAA Division I national staff of the year honor this past season and in 2009. She compiled a record of 213-44 at Yavapai during her

tenure and won more than 300 games at Pima.

"We are very excited to bring back a great Wildcat who has made her own mark in the coaching profession," Candrea said.

"I am thrilled to come back home to Tucson and have the opportunity to work beside my mentor. I look forward to working with the highly talented group of student-athletes at Arizona and being a part of the amazing Wildcat athletics department," Iveson said.

"I have so much history on the UA campus and in Hillenbrand Stadium and am proud to be a part of the Wildcat softball family and all the tradition," she said.

Iveson spent seven seasons as a Candrea assistant at UA from 1995 to 2001 and helped the Wildcats earn NCAA Championships in 1996, 1997 and 2001. Her work with Arizona pitchers and catchers was underscored by marks of 30-7 by Becky Lemke and 29-2 by Jennie Finch in 2000, and the latter's remarkable 32-0 year in 2001.

She also worked with pitchers Nancy Evans during her twin 36-2 years in 1997-98, and Carrie Dolan (35-6) during the '96 title run. Catcher Leah Braatz was Diamond Sports/NFCA national catcher of the year in 1997 and 1998 and Lindsey Collins tied the Arizona fielding percentage mark with a flawless 1.000 campaign behind the plate in 2001.

Iveson has also been a member of the USA Softball coaching pool for the last six years. She worked closely with the National Team players and coaches including several training and selection camps and a trip to Guatemala in 2005 for the Pan American Qualifier. Last year she accompanied the USA Junior National team to Colombia as an assistant coach on the Pan American Championship squad that earned a berth in the World Championships.

A four year Arizona letter winner and starting catcher, she played on Candrea's first four teams at UA from 1986 to 1989, earning first team all-region honors and All Pac 10 honors as a sophomore in 1987. She remains tied for the season record for games played, with 72 in 1988, and before the 1990s assault on the record book was among UA's top 10 in career this, RBI, at bats, games played and doubles.

Iveson was softball coach at Salpointe Catholic High School in Tucson from 1991 to 1994 after a year as an assistant coaching the junior varsity. She led the Lancers to the state championship in 1993. She was head coach of the Arizona Heat national pro fast-pitch team from 2005-07. She was inducted into the Pima County Sports Hall of Fame in 2005.

The former Stacy Engel graduated from Tucson's Catalina High School in 1985. She earned a bachelor's degree in elementary education from UA in 1990 and her master's in educational administration from Northern Arizona in 1995.

She was a teacher in Tucson's Flowing Wells School District from 1990 to 1994 and returned to the district to teach fifth grade at Laguna Elementary School in 1996. Her husband, Tom Iveson, also is an educator. The couple has a son, Jared.

ASSISTANT COACH ALICIA HOLLOWELL

Years as a coach: Fifth
Years at Arizona: Third

Alma Mater: Arizona (2006)

National Championships as Player: 1

Former Wildcat All-American Alicia Hollowell was named assistant coach in June 2012 after serving as the team's director of operations for the 2012 season. Hollowell served as an interim assistant coach for the final three weeks of 2012 before being elevated to full-time status.

"I have always been impressed with the competitiveness and passion with which Alicia played the game, and now she brings that same approach to our coaching staff. She always has been a student of the game and brings great knowledge, positive energy, and bleeds red and blue," he said.

Candrea said Hollowell's duties would include close work with Arizona's pitchers. "She's been in the circle, pitched Arizona to a national championship in 2006, represented the USA and played the game at the highest levels possible. Alicia knows what it takes to play this game at the high-

est levels," Candrea said.

"I'm just thrilled to be back with Coach Candrea in such a role," Hollowell said. "It feels like home and is just awesome to be able to contribute on the field. I've been there, done some good things and will do everything possible to keep Arizona Softball at the top of the game," she said.

Hollowell, a Wildcat letterwinner from 2003-06, was a four time All-American who is the school's career leader in victories (134), innings pitched (1,122.0) and strikeouts (1,768).

She finished her career with the top three single-season strikeout totals in school history and the top two single-season tallies for victories. In her career, Hollowell was named Pac-10 Pitcher of the Week 14 times and threw 17 no-hitters, capping her career by leading Arizona to the 2006 national championship and earning Women's College World Series Most-Outstanding-Player honors.

She earned Pac-10 Pitcher-of-the-Year honors in 2004 and Newcomer-of-the-Year kudos in 2003.

Hollowell was named Arizona's top female student-athlete in 2006.

A native of Suisun, Calif., Hollowell was a member of the U.S. national team from 2005-08, winning two World Cup titles, the 2007 Pan American Games gold medal and serving as an alternate on the 2008 Olympic squad.

National Championships as Player: 2

Four-time Wildcat All-American Caitlin Lowe joined the coaching staff as the team's volunteer assistant coach in 2013 after serving as the program's director of operations in 2012.

"We are very excited that Caitlin will be a member of our coaching staff with primary duties working with the Arizona outfielders, slappers, and base running," said head coach Mike Candrea. "We feel that Caitlin brings a great background as a player and will excel in working with our players on a day-to-day basis."

Lowe will work with the slappers, the outfielders and base running.

"It's great to have Caitlin back in Tucson. She's a great addition to our staff, one of the best players to wear an Arizona or any uniform," Candrea said.

Lowe, a letterwinner from 2004-07, boasts some of the most impressive credentials in her time with the sport. A two-time national champion (2006 and 2007), Lowe's name is scattered throughout the Arizona record books: Lowe remains second in batting average (.446), fourth in hits (351), fourth in triples (12), seventh in runs scored (242) and first in stolen bases (156).

In 2007, Lowe was awarded the Lowe's Senior CLASS Award, given annually to the senior displaying excellence in the community, the classroom, character and in competition, as well as the adidas Golden Shoe Award, given to the nation's best base-stealer. The Tustin, Calif., native was a two-time finalist for the Honda Softball Award (2005 and 2007) as well as a finalist for the USA Softball Player of the Year in 2005.

Lowe is one of only six Wildcat players to be named an NFCA All-American in each of her four years with the program and joined Leah Braatz (1994, 95, 97, 98) as the only player in Arizona history to be awarded first-team All-America all four years.

An Olympian in 2008, Lowe took home the silver medal competing for Team USA under Head Coach Mike Candrea. Lowe competed for Team USA from 2005-2008.

Lowe graduated from UA in 2007 with a degree in psychology and a minor in communications. She has spent the last four years in National Professional Fastpitch competing for the USSSA Pride.

Pitching (Debby Day 30-8, 0.50; Susie Parra 14-3, 0.43; Julie Jones 12-5, 1.21) and defense (.970 team fielding percentage, Julie Standering 187 assists at shortstop) were keys to the season. The Cats also stole 119 bases. Jones (.350), Jamie Heggen (.330), Kristin Gauthier (.300), Standering (.296) and Jody Miller (.272) had outstanding seasons at the plate. The Cats beat No. 1-ranked UCLA twice at the College World Series to earn the championship, including a 5-1 victory in the title game. UA had four extra-inning games in the classic. The Cats used short-game tactics much of the year and were led by Standering with 30 and Miller with 20 stolen bases. Arizona finished the year 56-16 overall. The Cats were frustrated in the tough Pac-10 Conference at 11-9 and a fourth-place finish.

1993 NCAA CHAMPIONS

The Wildcats nearly defend their first conference championship (16-2 in 1992), yet again come through with a solid post-season run to win the bigger title.

The power-hitting Wildcats win the NCAA home run title with 36 round-trippers in their 52 games, and run production leads the way to a 44-8 season and a 15-3 record for second place in the Pac-10. Pitching was not a problem either, as junior Susie Parra sparkled with a 28-3 record, 3 saves and an outstanding earned run average of 0.63. Freshman Leah O'Brien added a 16-5 mark. Catcher Jody (Miller) Pruitt held opponents to 6 stolen bases, the Cats hit a then school-record .328 as a team. Sophomore Laura Espinoza hit the scene in a big way with 12 home runs and Amy Chellevold led a solid group of hitters with a .379 batting average.

The Cats opened the year 22-2 to earn the school's first No. 1 ranking and Arizona later proved it was an accurate peg with an NCAA title-game victory over another No. 1-ranked team, UCLA.

Chellevold and O'Brien (.374) put their names atop the UA single-season batting chart at the time.

1994 NCAA CHAMPIONS

The Cats 'chuck-and-duck' hitting attack displays one of the most awesome punches in the history of the college game. The Cats sock their way to an NCAA-record 64 victories (against 3 losses), start the year with a school-record 27-game winning streak and end the campaign undefeated (7-0) in post-season play for the first time.

Along the way, Arizona blasts 93 home runs, led by junior shortstop Laura Espinoza's jersey-number feat (30), 18 by freshman catcher Leah Braatz, 16 by sophomore second baseman Jenny Dalton and 14 by senior Susie Parra, who capped a remarkable career with National Player of the Years honors by winning the Honda Softball Award.

Parra dominated from the pitching circle, completing a 33-1 season. She did not allow an earned run in three CWS victories, plus struck out 13 in the NCAA title game. She threw the seventh and eighth no-hitters of her career.

Junior first baseman Amy Chellevold hit .504 in the leadoff spot and sophomore center fielder Leah O'Brien hit .416 batting second. Dalton hit .434. Arizona set a then-national record with its .380 team batting average. Espinoza knocked in an incredible 95 runs in 66 games. Freshmen pitchers Nancy Evans and Carrie Dolan made marks with 17-0 and 11-2 records.

The Cats had five players in the Pac-10's top 10 in hitting and UA was ranked No. 1 from start to finish.

1996 NCAA CHAMPIONS

For the second time, Arizona followed a season (1992 and 1995) in which it won the Pac-10 title but finished as runner-up in the College World Series... with a second-place finish in the league, but the NCAA title. Decent trade.

Arizona got hot when it counted, ending the season with a 17-game winning streak. There were numerous keys — everyone on the team.

Jenny Dalton won the Pac-10 Triple Crown, the first player to do so, with a .469 batting average, 25 home runs and an incredible 109 RBI. Leticia Pineda, put in the every-day catching role because of Leah Braatz' redshirt season, hit 14 homers and drove in 96, plus batted .404.

Dalton's season earned her the Honda Softball Award as the nation's finest player.

Carrie Dolan, carrying most of the pitching load because of Nancy Evans' medical hardship season, won a school-record

35 games against six losses, but freshman Lisa Pitt also came through with a dandy 19-3 record, too. Outfielder Alison Johnsen propelled herself to a new level with a 94-hit season and a .450 batting average. Third baseman Krista Gomez hit .400 and finished with the fourth-best career batting average in UA history, .358, plus hit the career charts in hits, RBI, runs and stolen bases, among others.

Arizona played in a regional out of the state for the first time, but used it to pull together, and hit the road for 11 days to bring back the trophy.

1997 NCAA CHAMPIONS

Arizona was ranked No. 1 much of the season and just decided to stay on top, completing a remarkable 61-5 season with its fifth NCAA Championship and second back-to-back effort.

UA was represented by five first-team All-Americans as selected by the nation's coaches — pitcher Nancy Evans, catcher Leah Braatz, first baseman Leah O'Brien, third baseman Leticia Pineda and outfielder Alison Johnsen.

But individual honors were the gravy as the Cats stayed locked on target throughout a focused season playing for a single goal. Integrating a number of young players with championship veterans, coach Mike Candrea kept his team playing hard the whole year. Hard enough for a 26-1 finish and Pac-10 Championship; hard enough for a 27-4 mark against ranked teams. (The Pac-10 record was to stand as the best ever as league coaches later voted for a 21-game conference slate.)

Johnsen set a lot of tone in the regular season, finishing with a UA-record .534 batting average and an NCAA-record 132 hits. O'Brien capped a remarkable career by using her talent at its best when all the chips were on the table: she collected 9 hits and 6 RBI in the College World Series and finished her CWS career with an incredible total of 31 hits and 19 RBI in four different classics.

Evans, with a then-Arizona record 36 pitching victories, also saved some best for the last part of the year. She threw all five Arizona games at the World Series and finished the year with verve as UA topped UCLA 10-2 in a runaway title game.

Coach Mike Candrea was named NFCA Division I National Coach of the Year, Pacific Region Coach of the Year and Pac-10 Coach of the Year.

2001 NCAA CHAMPIONS

For the sixth time in 11 years, Arizona walked away with the NCAA Softball Championship. The Cats defeated the Bruins 1-0 in the title game. An amazing pitching performance by junior Jennie Finch and a fourth-inning home run by senior catcher Lindsey Collins paved the way for the Wildcats. Finch improved her season record to 32-0 and extended her pitching winning streak to 40 consecutive games.

The title came as no surprise. Arizona was ranked No. 1 or No. 2 for much of the year. The Wildcats came into the season with a 31-game winning streak and ended the year with a 26-game winning streak. For most of the season the Cats led the Pac-10 in batting average, slugging percentage, on-base percentage and runs scored. Arizona's fielding percentage (.981) led the nation and was the third best in NCAA history. The Cats also had 126 home runs to break the previous NCAA record of 100 set by the 1995 UA team. The record of 1.83 home runs per game also was an NCAA record.

Arizona's talented team earned a number of individual awards. Pitcher Jennie Finch received the Honda Award as National Player of the Year along with first-team All-America honors and Pac-10 Pitcher of the Year accolades. Senior third baseman Toni Mascarenas, freshman designated player Leneah Manuma and senior outfielders Lauren Bauer and Nicole Giordano also earned All-America nods.

Coach Mike Candrea earned Pac-10 Coach of the Year honors for the seventh time in his career.

2006 NCAA CHAMPIONS

Arizona snapped its longest championship drought since 1991 with a team effort and incredible pitching performance by four-time All-American pitcher Alicia Hollowell.

The Wildcats opened the year on a tear, winning 24 of their first 25 games. UA dominated opponents over that span, winning games by an average of six runs a game. However, on March

16 Arizona entered a slide in which it went 10-8 over its next 18 contests. Prior to UA's April 30 doubleheader at Washington, the Wildcats found themselves in the bottom half of the Pac-10 standings.

In the first game of the doubleheader, Hollowell ruined the Huskies' Senior Day by tossing a no-hitter, leading to a 2-0 UA victory. The win catalyzed a 14-game winning streak that elevated Arizona to a second-place finish in the Pac-10 and within one game of reaching the WCWS.

After defeating LSU in the Tucson Super Regional to reach the WCWS, UA downed Pac-10 foe Oregon State in extra-innings to open WCWS play. That set up a matchup with Texas, setting up a duel of four-time All-Americans, Hollowell and Cat Osterman in the circle. The pair did not disappoint, as they allowed a total of five hits between them. Arizona broke a scoreless tie in the bottom of the sixth inning, when Callista Balko singled home Caitlin Lowe for what proved to be the game-winning run in a 2-0 Wildcat victory.

UA defeated Tennessee to reach the Championship Series, pitting the Wildcats against Northwestern. UA exploded with an 8-0 win in Game 1, led by a one-hit performance by Hollowell. The story of the game, and the series for that matter, was the Wildcats' speed on the base paths. UA's slappers Lowe, Autumn Champion and Adrienne Acton combined for three infield hits, four runs and forced three NU infield errors.

In Game 2, Arizona could smell the national championship, putting 12 hits on the board that led to an eventual 5-0 victory.

Finally, after all the ups and downs the team endured, the Wildcats tasted the sweetest of victories and in doing so, they brought the national championship trophy home to Tucson.

2007 NCAA CHAMPIONS

Taryne Mowatt filled the shoes of departed Alicia Hollowell – and then some – with an epic championship run to give UA its eighth national championship and third set of back-to-back titles.

With All-American seniors Caitlin Lowe and Kristie Fox patrolling the top of the order, the other UA hitters took turns stepping up in clutch situations throughout the year. However, the story of the season was Mowatt's record-breaking endurance in the circle. The junior hurler pitched a school-record 370 innings over the season – 60 of which came over the course of eight WCWS games in seven days. At the WCWS,

Mowatt set series records for innings pitched, victories (6), complete games (8) and strikeouts (76).

Lowe concluded her storied career with her fourth first-team NFCA All-America selection by cementing her name in the Arizona and NCAA record books. The NCAA ledger shows her at 11th place or better in five career statistical categories including: batting average (.446), hits (351), runs scored (242), stolen bases (156) and stolen base percentage (.945).

However, UA's 10th Pac-10 Championship season was not one of individual efforts or of simply dominating the opposition. Timely hitting by unexpected heroes throughout the year propelled UA to its third set of back-to-back national championships in program history.

Over the years, Arizona players have earned a staggering 90 NFCA All-America citations. Here's a look at positions played by Arizona's NFCA All-America selections. Though their positions cover only one position or at-large honor, many of UA's All-Americans were versatile players who at one time or another played all over the field. Leticia Pineda holds the versatility record –earning first-team All-America honors at three different positions in successive years – catcher, first base and third base (at-large) from 1996 to 1998. Nancy Evans earned the Honda Award as a pitcher in 1998, but played significant time at shortstop and five other positions during her career. She could have been a catcher, too, but her career coincided with four-time All-American Leah Braatz, who earned her stripes behind the plate.

In 2011, Brittany Lastrapes became just the sixth player in school history to be named an All-American four times. Her first-team selection was the third straight time she earned such a distinction; she was named to the third team her freshman year. Classmates Kenzie Fowler and Brigette Del Ponte were selected to the second team. The award gave Fowler her second citation in as many years. A first time All-American, Del Ponte became the 50th All-American in Arizona history.

NCAA Division I softball has become one of the nation's top female showcase sports programs, with substantial television coverage and dramatically increased attendance and media notoriety.

While softball is a team game, it revolves around one-onone situations – batter vs. pitcher, fielder vs. hitter, runner vs. catcher, etc., and gives individuals a chance to shine.

In nearly all cases the nation's decorated players come from programs with traditions rooted in success. With Arizona's eight national championships, 22 College World Series appearances and 10 Pac-10 championships, the Wildcats certainly qualify. Arizona's national and league championship teams each had role players, or clutch performers who saved their best for last – and they are not listed below. Their contributions remain no less valued than those listed below.

Already one of the premier venues in college softball, Rita Hillenbrand Memorial Stadium seems to get better every year. In the last four years alone, Hillenbrand has drawn 281,383 fans over 117 dates, shaking out to 2,405 fans per game. In 2011, 77,129 fans turned turnstiles at the stadium, setting an NCAA record.

In the last few years the Wildcats have made a number of changes to this Mecca of softball. In 2010, Arizona added a new padded outfield wall – the first of its kind in the stadium's 20-year history. The wall is festooned with the accomplishments of teams and players past, and will provide some literal and figurative comfort to outfielders in pursuit of a fly ball.

Fall 2008 saw the stadium install an outfield warning track for the first time ever, along with a new weather-resistant infield surface that keeps the playing field game-ready more than three-quarters of the year.

In 2006, UA debuted a state-of-the-art videoboard and new scoreboard beyond the right field fence. In between innings, the Wildcat faithful enjoy highlights from years past and present, as well as music videos. During the game, Arizona's batters have personalized video introductions, and movie clips provide entertainment during breaks in the action.

Also in 2006, covered batting cages were erected to allow UA to work on hitting in any weather conditions. Adjacent to the batting cages, permanent bleachers were installed to expand Hillenbrand Stadium's capacity to 2,956 and offer a majestic view of Tucson's desert sunsets.

In addition to UA's recently-erected team room, an umpire's room and training room were constructed for the 2007 campaign. Ultimately, head coach Mike Candrea says that the main theme for the clubhouse is to celebrate Arizona's tradition.

"Our goal in constructing the team room is to capture the history of Arizona softball," Candrea says. "It will allow us to remember the past and remind our student-athletes of the heritage they share."

Whether they come out to the tune of 3,541 for an exhibition pitting Team USA against Arizona, or for a Wildcats' regular-season game, the Arizona fans have proved themselves as some of the best in the country.

In 2012, the stadium's all-time attendance reached 700,000 fans. Since 2000, UA has drawn at least 32,000 fans each year, a figure that has risen into the 40,000s four times, the 50,000 plateau twice and in 2011, nearly 80,000 fans entered the stadium's gates.

One reason for the stadium's appeal obviously is the Cats' typical home success - victories. UA has played to a 583-69 record at home. That's 90 victories in every 100 games. In 2002, UCLA snapped a remarkable 70-game home field winning streak the Cats had built, which remains the national record.

That fan support underscores the attraction of UA softball and its home field, named in honor of the late Rita Hillenbrand, sister of the late Wildcat benefactor William G. Hillenbrand and his wife, Doby (Delores D.). The couple financed the stadium and initial landscaping project, and the Hillenbrand family has continued to contribute funds to support Arizona softball and Wildcat athletics.

The family has provided tremendous support for a number of UA athletic programs through gifts to develop and support the UA's aquatic center, the baseball stadium and Arizona's football program. Another focal point in daily Wildcat athletics is the John W. Hillenbrand Meeting Center, named in memory of Bill's late father. That facility gave the athletics department a main auditorium, a half dozen classrooms and meeting rooms, and various office spaces used for the athletics department's mentoring programs and its Commitment to Athletes' Total Success (C.A.T.S.) program.

The NCAA has found the facility to be a quality site for postseason play as well, with The University of Arizona playing host to NCAA Regionals in 17 of the stadium's 20 years of existence. Regional (FSN) and national (ESPN, CSTV) television networks have also found the Wildcats and the stadium to be attractive to their audiences for a number of broadcasts since the facility was built for the 1993 season, including over 30 nationally televised contests in the last eight years. All games attract a solid contingent of fans, area television and print reporters.

Hillenbrand Stadium and its success in helping bring Division I collegiate softball into increased national focus made it a national model in the early 1990s for dynamic softball programs. As on-campus college softball facilities go, it had elite status for several years until it engendered considerable copying. Today, major universities around the country are putting their teams in facilities with style and substance.

But Hillenbrand maintains one special feature, which makes it second to none — the infield, outfield and foul territories provide a top playing surface. Tucson's climate and round-the-year maintenance keep the facility in game-ready condition more than 300 days per year. Aside from the .900 home winning percentage, Arizona and visiting teams alike enjoy the facility for its playing surface. In 2004 and again in 2008, the infield was rebuilt with new clay and soil composition.

The University of Arizona softball program moved into the facility for the 1993 season and went out and proved it

was equal to the trappings by winning consecutive NCAA championships and leading the nation in attendance in 1994 and 1995. UA added another back-to-back NCAA title splurge in 1996 and 1997, a sixth title in 2001, and the most recent back-to-back championships in 2006 and 2007. The outfield wall is festooned with those and other championship banners. UA also has won 10 Pac-10 titles since moving into Hillenbrand Stadium. The Cats also led the nation in attendance for three years from 2000-2002. Arizona has led the nation in attendance four of the past eight seasons.

TUCSON, ARIZONA

Situated in the heart of Southern Arizona, Tucson is a city of contrast and diversity, from the desert valley of world-famous saguaro cacti to 9,000-foot alpine forests. The city is bountiful in its geographic, cultural and business assets. The population of the greater Tucson area is just under one million.

On any of the 350 days of sunshine per year, the Santa Rita Mountains can be seen some 65 miles to the south, a ridge-line near the Arizona-Mexico border. Nearby Mt. Lemmon, the southernmost ski resort in the United States, affords winter activities on the same day as a golf game or any of myriad recreational opportunities in the area.

The city lies in the Sonoran Desert, which boasts a wide range of wildlife and vegetation. Saguaro National Monument and its world-famous display of giant saguaros, highlights the unique beauty of the area. Tucson is a four-hour drive from Mexico's Gulf of California beaches, 70 miles from Mexico and within hours' drives from several major international bird-watching areas. World-class astronomy facilities on four nearby mountain ranges also attract visitors and specialists alike.

Its first Native American inhabitants and the earliest Spanish settlers to the area have left marks on Tucson. Native American, Mexican and American Southwest influences are prevalent throughout the city. The Mission of San Xavier del Bac, located on the outskirts of town, is one of the original missions built by the Spanish missionaries. Continuously settled for more than 12,000 years – the oldest such settlement in the United State – Tucson has grown from a small Native American village into one of the Southwestern growth cities of the 21st century. It is one of the premier astronomy and optics centers in the world, an important health services center and home to a renowned research institution in the University of Arizona. Phoenix is a two-hour drive to the north and is home to NBA, NFL, NHL and Major League Baseball franchises.

UNIVERSITY OF ARIZONA

Born on 40 acres of land donated by two roughnecks and funded by a \$25,000 consolation prize in Tucson's competition for the Territorial capital, the University of Arizona rose from the desert floor of the true old West. Nobody wanted it, and fewer believed it would last. Fortunately, they were wrong, and the bet laid down by saloon-keeper E.B. Gifford, and gamblers Ben C. Parker and W.S. Read on Nov. 27, 1886, has paid off into one of the finest research institutions in the world.

When the first 32 students arrived at the only building on campus in 1891, they began a tradition that has now entered its third century.

That building, Old Main, remains as witness to the University's growth from outpost into a 450-acre Research I institution with nearly 200 buildings, more than 38,000 students, and a faculty and staff of 12,000.

Arizona's first university is the largest employer in Pima County and the fourth-largest in Arizona with a payroll of half a billion

dollars. The UA offers more than 325 degree fields in a dozen different colleges and another similar group of specialized schools.

Today, the University of Arizona is one of the top 20 research universities in the nation and has played a part in ground-breaking projects ranging from the exploration of Mars to the development of new cancer treatments and pioneering breakthroughs in heart transplantation. UA's observational, theoretical and space astronomy programs have been ranked atop others in the country by the National Science Foundation (NSF) and recent other rankings placed 17 of the school's graduate programs among the top 20 in the nation. In addition, the Nobel Prize, three Pulitzer Prizes and the National Medal of Science have been bestowed upon Arizona educators.

Not to be forgotten, the University's undergraduate programs continue to flourish. The NSF considers Arizona to be one of the 10 universities that best integrates teaching and research for undergraduates. The NASA-funded space grant program pays undergraduates to work in laboratories alongside faculty, and the Undergraduate Biology Research Program includes 43 departments, involves 200 faculty sponsors and funds more than 100 undergraduate researchers each summer. The Eller College of Management and the McGuire Center for Entrepreneurship are rated in the global top 10 by Finance Times. The University was named in an Elite 50 list of institutions for academicallyminded athletes last year.

A large portion of the student body consists of minority students and the campus is located in one of the most diverse locations in the country, with the influence of Native American and Hispanic cultures evident throughout the Tucson community. The University of Arizona is in its third century of service with a continued commitment to providing support to its undergraduate population, while its world-renown research enterprises keep it on the cutting edge in the expanding global economy.

This commitment to excellence ensures that the University of Arizona will continue to grow from its auspicious beginnings as a single-building outpost in the desert into a world-class center for knowledge and research well into the next century.

DIRECTOR OF ATHLETICS GREG BYRNE

Greg Byrne was named Arizona's 11th Director of Athletics in March 2010 and officially assumed the reins on May 3, 2010. In his short time with Arizona, Byrne has led the charge on new fundraising initiatives and member expansion for the Wildcat Club. Under his leadership, the Wildcats have seen construction completed on a new men's basketball lockerroom, implementation of a new video board for the south end zone of Arizona

Stadium and the beginning stages of a north end zone football facility.

Prior to coming to Arizona, Byrne was Mississippi State University's Director of Athletics, where he was the youngest top current athletic administrator in the Southeastern Conference and the youngest to lead an athletic program at the NCAA Division I-A level. He started out his career at MSU in June 2006 as Associate Athletic Director for External Affairs.

He has been around successful athletic programs, and the director's chair, literally all his life. He is the son of long-time athletic administrator Bill Byrne, currently the Director of Athletics at Texas A&M University.

Byrne, however, has made a name for himself in intercollegiate athletics. He had 15 years of professional experience prior to assuming the AD's position, a resume that shows progressive growth in both responsibility and achievement. He has been directly involved in raising over \$160 million in gifts during his career in athletics.

A native of Pocatello, Idaho, Byrne earned his bachelor's degree in 1994 and his master's degree from Mississippi State in 2009. Byrne is married to the former Regina Misa of Junction City, Ore., and the couple has two sons, Nick and Davis.
