Head Coach Bill Ryden

Now in his 15th season at the helm of the Arizona gymnastics program, head coach Bill Ryden has not only continued the tradition of Arizona gymnastics, he has taken the success of the program to a higher level. Ryden has led each of his squads to the Regional Championships, stretching the program's streak to 26 consecutive appearances and made an NCAA Championship appearance in 2002, the program's first since 1996.

Ryden also has established himself as one of Arizona's most decorated head coaches, garnering a few awards to his name honoring his leadership. Ryden was named the 2002 South Central Regional Coach of the Year and the 2002 Pac-10 Coach of the Year, becoming the first Head Coach in Arizona history to be named Regional Coach of the Year. Ryden owns a career and school record of 194-186-3 in his 15 years at Arizona.

In Ryden's tenure as both Arizona's Head Coach and top assistant, he has coached in 22 Pac-12 or Conference Championship meets, 18 NCAA Championships and 22 NCAA Regional Championships. Ryden also trained 14 All-Americans and 29 All-Pac-12 gymnasts at Arizona.

2011 marked the 25th consecutive postseason appearance for the Wildcats, as Ryden led the team to fourth and fifth place victories at the Pac-10 Championships and NCAA Regional Championships (respectively).

Despite an injury filled beginning, Ryden coached the Wildcats to a 24th consecutive postseason appearance, as well as a third place finish at the NCAA Regional Championships in the 2010 season. Ryden also coached three Wildcats (Deanna Graham, Molly Quirk and Aubree Cristello) to Pac-10 All-Conference awards for all-around.

In 2009, the 12th-year head coach helped the Wildcats reach their 23rd consecutive postseason. A year earlier, Ryden led Arizona to its first victory on rival Arizona State's home turf in 22 years after regularly having success against the Sun Devils in Tucson. That same season, the gymnastics team earned the Team GPA and Community Service awards handed out by the school, and Karin Wurm was named the inaugural Pac-10 Scholar Athlete of the Year.

In 2007, Ryden led a talented team to a 19-9 overall record, including a fourth-place finish at the Pac-10 Championships and a third-place finish at the South Central Regional Championships. Most importantly, Ryden has spearheaded the construction of Arizona's new training facility on campus, a facility that rivals the top gymnastics training centers in the country. For the second year in a row and third in four years, the team won the Director's Cup for Community Service.

Even after replacing six seniors, including the school's all-time leading scorer Monica Bisordi, Ryden led the 2006 Wildcats to a #13 national finish and into the postseason for the 20th straight year. Junior Aubrey Taylor and Sophomore Karin Wurm emerged as gymnasts to contend with at the national level as both represented Arizona at the NCAA Championships. The Wildcat Gymnastics team won the Director's Cup for Community Service for the second time in three years.

In 2005, with the largest senior class in Ryden's tenure, the Wildcats earned 24 victories, the most for the program since 1996, when the Wildcats finished with a 36-10 mark. In doing so, Arizona placed second at the Pac-10 Championships, matching their best conference finish in school history. Also, under Ryden's tutelage, senior Monica Bisordi became the school's all-time leading scorer and was named 2005 South Central Region Co-Gymnast of the Year.

In 2004, Ryden led his program to new heights. Arizona posted 11 scores in 13 meets that rank on the school's top-20 all-time list. The Wildcats also posted two scores of 197 or better that season, something only accom-

plished twice in program history previously. The Wildcats also posted 16 team-event scores that rank on the top-10 all-time list. In addition to the team success, Ryden also coached junior Bisordi to her second straight NCAA Championship appearance where she placed fifth on the floor while on her way to second team All-America honors. The team won the Director's Cup for Community Service.

In an injury plagued season in 2003, Arizona made two appearances in the top-10 nationally and recorded 12 new scores worthy of the all-time top-10 list. The 2003 season also marked the school's high in a meet when the Wildcats earned a 197.375 in a meet 3/14/03 against Oklahoma.

Ryden made his first appearance at the NCAA Championship meet as a head coach in 2002, leading the Wildcats to an 11th place national finish and a 19-13 overall record. This was also the season Ryden was named Pac-10 Conference Coach of the Year and South Central Regional Coach of the Year. In the Pac-10 Championships, Arizona recorded a school record 49.550 in the vault that still stands today. Ryden also coached two Gymcats, Randi Liljenquist and Stevie Fanning, to a pair of Pac-10 Championships in the floor and beam respectively.

In 2001, Arizona finished the season No. 18 nationally behind Ryden and ended the year third in the NCAA South Central Regional. A big highlight of the 2001 season came against North Carolina State, when the team set the school record for uneven bars with a 49.475 score.

In his sophomore season as the Arizona head coach, Ryden led the Wildcats all the way to a No. 20 end of the season ranking and finished fourth at the NCAA Region III Championships. He also coached Arizona legend Heidi Hornbeek to an AAI American Award.

Ryden took over the Wildcats beginning with the 1999 season after being an Arizona assistant for eight year and was a success right from the start. His first team posted four event scores that at the time ranked in the top-five on Arizona's all-time performances list.

Long considered one of the top collegiate coaches in the country, Ryden is certainly no stranger to Arizona gymnastics. Ryden entered his first season as Head Coach in 1998-99 after spending the previous eight years coaching alongside former Head Coach Jim Gault, who retired following the 1998 season. During his tenure as Arizona's top assistant coach, Ryden was named Midwest Region Assistant Coach of the Year in 1992 and was a member of the USA World University Games coaching staff in 1993.

Ryden, who started at Arizona as an assistant in August 1990, has coached in various capacities, both nationally and internationally, for more than 15 years. He served as USA national team coach in 1989, and from 1988 through 1990, he was Head Coach at Ryden Gymnastics in Littleton, Colo. From 1984 to 1988, he was a Class I/Elite coach at the Denver School of Gymnastics, where he coached former Arizona standout Diane Monty and former Wildcats Andrea Walters and Nancy Milberger during their club gymnastics career. Prior to that, in 1983, he was the Head Coach of the Arizona Twisters in Mesa, Ariz.

Not surprising, given his coaching proficiency, Ryden has an impressive background as a gymnast himself. He competed both nationally and internationally for Arizona State University from 1978 to 1983 where he was a three-year letterwinner, and during his senior year, Ryden was ranked second in the nation on the horizontal bar.

Ryden earned a B.S.E. in Aerospace Engineering from Arizona State University in 1983. He worked as a Senior Engineer at Martin Marietta Denver Aerospace from 1984 to 1990, conducting analysis on ICBM missiles and developing proprietary software systems among other tasks. He has further studies in biomechanics, anatomy and physiology, sports psychology and computer software systems.

Associate Head Coach/Recruiting Coordinator John Court

Entering his 15th year with Arizona, associate head coach John Court has established himself as one of the top gymnastics coaches in the country.

With a competitive flair and energetic passion for gymnastics, Court takes great pride in helping mold each Wildcat

gymnast to be at her fullest potential both in and out of the gym.

Court's dynamic impact was recognized in 2007 as he was named the 2007 South Central Region Assistant Coach of the Year.

"I always try to get better at what I do and have enjoyed providing the program with stability over the last decade," Court said. "This is my 17th year professionally in collegiate gymnastics and my love of the sport has never been greater."

Court's contributions are visible both inside the gym and on an administrative level. His duties in the gym include vault and floor coaching, where Court is responsible for developing each gymnast's tumbling and vaulting.

"John has a great intention on being successful and takes great pride in representing our team and our university," head coach Bill Ryden said. "He takes his job very seriously and continues to strive to improve this team."

Outside of the gym, Court has served as Arizona's recruiting coordinator for the last five seasons, searching for the best amateur talent in the nation to bring into the Wildcat program. For Court, recruiting is not a job, it is a way to help Arizona's program get even better. Additionally, Court serves as co-director for Bill Ryden's Sonoran Gymnastics Camp.

"John spearheads our recruiting," Ryden said. "He will spend an entire year researching the upcoming recruits, figuring out where we need to go and who we need to see. He is a fan of the sport and likes finding talent. John is a people person who likes going out and talking to

people."

For Court, recruiting is not a job, it is a way to help Arizona's program get even better.

"I try to assist our program in the best way I can to recruit and evaluate our future Wildcats," Court said. "The program has inked some national talent over the years and the rewards have been fantastic and our future looks very bright. After working with Bill the last ten seasons, I have a good idea of what type of person and gymnast he wants on his team."

During each gymnastics meet, Court's passion for the sport and desire to win is clearly visible in his coaching. Court leads with his emotions by always cheering for each gymnast after each routine and providing Arizona with an extra spark of energy needed to succeed.

"John is an emotional leader for this team," Ryden said. "When we get into a competition, he is all about each routine and each score. He brings his game face and helps our team succeed."

Before coaching at Arizona, Court spent five years at the University of Vermont, his last three years (1995-98) as head coach. During those years he was named ECAC Coach of the Year twice. Prior to Vermont, Court spent two years as an assistant coach at Brown University under his mother and legendary gymnastics coach Jackie Court, who coached there for 33 years.

"She is the reason I became involved with the sport. It was her passion and leadership that has helped me become the coach I am today," Court said.

With fifteen years of coaching experience at Arizona, Court has noticed the valuable team experience this program provides for its gymnasts.

"At Arizona we compete at a national level in all areas and it's pleasurable to help the athletes grow as people and achieve their athletic and personal goals" Court said. "It is very important that you keep the sport fun for your team, yourself and provide a positive learning environment. We are all at our best when we love what we do."

Court is a 1993 graduate of Johnson and Wales University with a bachelor's degree in marketing. He received his master's degree in public/athletics administration from the University of Vermont in 1995.

Assistant Coach/Choreographer Randi Acosta

Currently in her third season with Arizona, assistant coach Randi Acosta is no stranger to the GymCats. As a former Arizona Gymnast, Acosta brings an enthusiasm deeply rooted in Arizona pride.

Acosta (formerly Liljenquist), competed at Arizona from 1999-2002, turning in one of the most accomplished careers of any Wildcat gymnast. During her four years of competition, Acosta was a four-time All-Pac-10 gymnast and garnered two All-American awards. Additionally, she was the 2002 Pac-10 champion on the floor exercise and was named the NCAA Regional Gymnast of the Year that same season.

Acosta holds the school record in the all-around with a 39.775, in addition to perfect 10.0 marks on the balance beam and floor exercise (twice). She is the only UA gymnast to achieve such a score on beam and one of only three in program history to do so in the floor exercise.

Upon graduating from the U of A, Acosta worked at Mystique del Mar as an acrobat, then married Roberto Acosta in 2003. She then went on to work at Desert Devil's as an optional level beam coach and floor choreographer for several years.

With her experience at both the college and club level, Acosta brings a unique perspective to the GymCats' coaching staff.

"Randi not only bleeds red and blue, but is also extremely talented from both an athlete and a coaching perspective," head coach Bill Ryden said, "She is a visual for the girls of a successful alum with a history of a strong eye for detail. Randi is an exceptional addition to our coaching staff."

At Arizona, Acosta is responsible for choreographing routines for both the floor exercise as well as the balance beam, while primarily coaching the beam. Acosta is also a huge player in the marketing and promotions of the team, as well as team attire (competition leotards, warm-ups, etc) and producing custom music for each team member's floor music.

"I love coaching college gymnastics. I can't wait to see each individual who comes through the program succeed, make the best of their careers and be proud of what they've done. I want them to stand out. They work hard and deserve the recognition." Acosta said.

Outside of the gym, Acosta loves spending time with her husband and two daughters Ana Milan and Isabella Sophia.

Undergraduate Assistant Coach Katie Matusik

After completing her final year of eligibility with Arizona in 2012, Katie Matusik joins the Arizona 2012-13 gymnastics team as an Undergraduate Assistant Coach.

In her career at Arizona, Matusik was a two-time first-team All-Pac-12 honoree on the balance beam, while holding collegiate bests of 9.875 on bars, 9.925 on beam and 9.875 on floor. Because of her athletic excellence, Matusik earned the Ruby Award in 2012 for being the co-top Female Student Athlete of the year. She was also the first female gymnast in several years to be named First-Team All-American. Other highlights of her career included being the beam champion at the 2012 NCAA Regional Championship in Seattle, earning the 2011 Pac-10 Sportsmanship award, being named Scholastic All-American, and earning the Larry Scott Pac-12 Conference Medal.

Thanks to her years of experience with the sport, as well as a successful career with the GymCats, Matusik will provide quality insight as well as a fresh take on the sport coaching in the upcoming season.

Strength and Conditioning Coach Neil Wiley

Wiley has been with the Arizona gymnastics program for 12 years and according to Ryden he's an integral part of the programs' success. Along with Ryden, Wiley has developed very specific weight training programs - running the mandatory strength program during the academic year as well as assisting the athletes with their conditioning needs over the summer months. Over the years, Wiley has played a huge role in the gymnasts staying healthy and in good shape.

Athletic Trainer Doug Contaoi

Contaoi heads into his sixth season with the gymnastics team and works on the daily aches, pains and injuries to the Wildcats. Contaoi received his undergraduate degree from the U of A, and returned to Tucson after earning a graduate degree from the University of Oregon.

Contaoi coordinates with doctors, therapists, trainers and coaching staff about each individual athlete. According to Ryden, Contaoi is "a vital part of our program. Without his efforts we could not survive a season, guaranteed."
